**NET WT 18 OZ (1 lb 2 oz) (510 g)**

**FIRST AID**
If swallowed: Call Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the Poison Control Center or doctor. Do not give anything by mouth to an unconscious person. If in eyes, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a Poison Control Center or doctor for further treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.

**DIRECTIONS FOR USE**
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**DISINFECTION, DEGERMINIZATION AND CLEANING:** This product is not to be used as a terminal sealant/stain level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either in or in contact with the bloodstream or normally sterile areas of the body or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enters normally sterile areas of the body. Surfaces which come into contact with food must be rinsed with potable water after disinfection. Do not use this product to disinfect or clean, glasses, or to use as a cleaning agent. To disinfect hard non-porous surfaces such as glass bathroom fixtures, walls, tubs, showers, sinks, sills, bathtubs, pepples, tables, chairs, proceed as indicated below.

**STORAGE AND DISPOSAL**
Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local waste service agency or 1-800-CLEANUP for disposal instructions. For Commercial/Institutional Use Only Manufactured in the U.S.A.

**For Disposal of Soap Contaminated Materials:** Soap and other body fluids must be thoroughly cleaned from surfaces and objects before application of disinfectant.

**Contact Time:** Effective against H1N1 (2009 virus) on hard non-porous surfaces in the presence of a moderate amount of organic soil (5% blood serum/dog saliva) or 10 minutes at room temperature (20-23°C). Use up to 1 hour in critical areas. Use in accordance with the instructions in this package.

**PRECAUTIONARY STATEMENTS**
**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**
Caution: Moderate eye irritant. Avoid contact with eyes, skin or clothing. Harmful if swallowed or absorbed through skin. Wash thoroughly with soap and water after handling until before eating, drinking or using tobacco.

**PHYSICAL OR CHEMICAL HAZARDS**
Contents under pressure. Do not open or store near heat or open flame. Exposure to temperature above 140°F may cause bursting. Never throw container into fire or incinerator.

**INHALATION**
If exposed, get fresh air. If still feeling unwell, call Poison Control Center or doctor immediately for treatment advice.
