100.00%

Net Contents: 1 Gallon (3.785 L)
HARRIS HOME PEST CONTROL ASIAN LADY BEETLE & BOXELDER BUG KILLER

PRECAUTIONARY STATEMENTS
Hazards to Humans and Domestic Animals
CAUTION
Contact with product may result in temporary skin and eye irritation. Avoid contact with skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, or smoking.

ENVIRONMENTAL HAZARDS
Product is extremely toxic to all fish species. Avoid allowing product to enter or run off into storm drains, ditches, gutters, or ponds. Applying this product in calm weather when rain is not predicted for the next 24 hours will help prevent drift onto other plants and water bodies. Drift onto non-target plants may be controlled by keeping the spray nozzle to 15 inches from the target plant and applying the product in calm conditions. If drift onto non-target plants occurs, apply product in calm weather in the morning when the air is still.

Physical or Chemical Hazards: Do not apply this product in an outdoor environment due to the possibility of shock hazard.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. General Information: Hold container upright. Do not apply outside. Apply to surfaces only.

Storage and Disposal
Storage: Store in a cool, dry area away from children and pets and away from heat, sparks, and open flame. Protect from freezing. In freezing weather, allow product to freeze and allow them well before thawing. Freezing does not adversely affect performance.

Contaminated Containers: Non-recyclable. Do not re-open or refill this container. Place in trash or offer for recycling, if available. If properly filled, call your local waste disposal agency for disposal instructions. Never place an empty container down into any indoor or outdoor drain.

INDOORS
- Control measures (including Adult and Immature Stages of Both Non-Resistant and Resistant Populations)
- Asian Lady Beetle (A. bipunctata)
