**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Causes moderate eye irritation. Avoid contact with eyes or clothing. Wear a suitable dust mask approved by NIOSH/MSHA when using this product during prolonged exposure. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

**FIRST AID**

**If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**Common name of active ingredient:** Diatomaceous earth.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Diatomaceous Earth is a mechanical insect killer. Insects cannot become immune to its action. Insects come in contact or ingest this powder and die within 48 hours.

**OTHER USES (INDOOR AND OUTDOOR APPLICATIONS)**

This product is intended for application with a hand duster, power duster or other similar means for application to areas where crawling insects are found. Apply this product to cracks and crevices with the use of a bulbous duster or other suitable equipment. Apply lightly and uniformly.

**Indoor Use:** Cockroaches, Ants, Earwigs, Millipedes, and Centipedes. Crickets and Silverfish: Lightly coat a thin layer of this product in areas where these pests are found and may hide including cracks and crevices, behind and beneath refrigeration, cabinets, stoves, garbage cans, and in and around sewer pipes and drains, window frames and in attics and basements. Dust insects directly if possible. Repeat treatment regularly.

**Plants:** Thoroughly treat flour and bedding in and around pets’ sleeping quarters. Treat surrounding cracks and crevices, baseboards, carpeting and wherever fleas are suspected.

**Carpet Beetles:** Dust along baseboards, carpet edges, under carpeting, furniture, in closets and shelving where these insects are seen or suspected.

**Bed Bugs:** Dust entire area. Use this product in joints, crevices and where ranges are inserted. See that all interior areas are dusted. Dust mattresses, especially beds and edges. All cracks and crevices in the bedroom should be treated.

**Outdoor Use:** Cockroaches, Earwigs, Grasshoppers, Ants, Crickets, and other crawling insects: Lightly coat a thin layer of this product in areas where these insects are found including patios, outdoor areas, window and door frames. Dust around foundations, along awnings, and around sewer pipes and drains. Repeat treatment as necessary.

**Manufacturer** makes no warranty, expressed or implied, regarding the performance of this product or the absence of control over how it is used.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area.

**PESTICIDE DISPOSAL:** Maintain resulting from the use of this product may be disposed of on site at an approved waste disposal facility. **CONTAINER DISPOSAL:** If empty: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling, if available. **FILLING AND REPACKING:** Do not oversize container. Place in trash or offer for recycling, if available. **PRODUCT CODE:** HFE-8
