KILLS ON CONTACT
CONTROLS MITES & MILDEW

Plant maintenance with Kryptomite™ is fast and easy. Its ready-to-use proprietary formula is food grade, non-toxic and acceptable for use in organic crop production. Let powdery mildew and plant ailments become a thing of the past with timely attention and regular application of Kryptomite™. Natural and safe for use during all stages of a plant’s life cycle, as well as during and after harvest, Kryptomite™ is the ultimate solution for natural gardening maintenance.

Kryptomite™ is ready-to-use, no diluting necessary. Spray entirety of foliage, until run off occurs. Repeat weekly or every 1 - 2 days for treatment.

Ingredients:
Active Ingredient
Potassium Sorbate . . . . . . . . . . . . . . . .   0.013%
Inert Ingredients . . . . . . . . . . . . . . . .   99.987%
Water, Ascorbic Acid, Potassium Bicarbonate, Quillaja Saponaria, Sodium Bicarbonate and Lauric Acid

This product has not been registered by the United States Environmental Protection Agency. Reforestation Technologies International represents that these ingredients qualify for exemption from registration under the Federal Insecticide, Fungicide and Rodenticide Act, (FIFRA).

WARRANTY: Any liability, expressed or implied, is limited to the purchase price of this product.

CAUTION: Avoid contact with eyes, skin, or clothing. If in eyes, flush with water for at least 15 minutes. If on skin, wash with plenty of soap and water. Get medical attention if irritation persists.

STORAGE: Store only in original container in a cool, dry place inaccessible to children and pets. Do not reuse empty containers. Offer for recycling if available or discard in trash.

Net Wt: 1 gal (3.79 l) 128 fl oz
1 gal may treat up to 48 2 ft. tall plants.
