SUMMER and WINTER MULTI-PURPOSE ALGAECIDE

Controls growth of algae in swimming pools
Prevents algae growth throughout the winter season
For use in all pools treated with biguanide, chlorine, bromine, salt water or minerals

ACTIVE INGREDIENTS:
Allyltrimethylbetanal ammonium chloride
10-40%, C-2%, C-15% (water); 10-20%

OTHER INGREDIENTS: 30-50%

ITEM NO. 2110 L13000FP

KEEP OUT OF REACH OF CHILDREN
DANGER
See Back Panel For First Aid And Precautionary Statements.

1 QUART

This product is efficient, economical and stable in use dilution, it is compatible with most chemicals used in pool water and will not damage tile, concrete, metal, or plastics. Do not premix with any foreign material, such as soap or other chemicals before application. This product works best when added by itself directly to pool water with the pump running. Wait 15 minutes before entry of swimmers. Pools with heavy growth of algae should be cleaned prior to using this product. Keeps pool water clear of visible algae and unsightly deposits. It improves filter operation and reduces the need for other chemicals.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling.

MIXTURE DIRECTIONS: For pools that have been properly maintained during the swimming season and are free of visible algae add 16 ounces per 10,000 gallons of water. For pools that have some visible algae growth at the end of the swimming season add 64 ounces per 10,000 gallons of water. Be sure to circulate the water for 3 to 4 hours prior to closing.

For best results, the mixture should be distributed equally around the edge of the pool with the filter running, and the pH and chlorine levels in the acceptable range.

MIXTURE DIRECTIONS:
For pools that have been properly maintained during the swimming season and are free of visible algae add 16 ounces per 10,000 gallons of water. IMPORTANT: Follow all directions even when pool is not in use.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
DANGER: Corrosive. Causes irreparable eye damage and skin burns. DO NOT get in eyes, on skin or on clothing. Wear protective eyewear, goggles, safety glasses or face shield, protective clothing and protective gloves (chemical resistant or rubber gloves). Harmful or fatal if swallowed, absorbed through the skin, or inhaled. DO NOT breathe vapor. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash clothing before reuse.

FIRST AID
IF IN EYES: Hold eyelids open and rinse slowly with water for 15 - 20 minutes. Remove contact lenses if present after 5 minutes then continue rinsing eye. Call poison center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have a person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NOTE TO PHYSICIANS: Possibly muosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsion may be needed.

IN CASE OF EMERGENCY Call 1-800-654-6911

ENVIRONMENTAL HAZARDS
This product is toxic to fish and other aquatic organisms.

STORAGE AND DISPOSAL
Keep the product dry in tightly closed container away from persons and children unfamiliar with its use. Store in cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Offer for recycling if available. If not, discard in trash.
