We Work Hard
So you don’t have to!

Effectively cleans tubs, showers, shower doors, basins, glazed ceramic tile, sinks, countertops, stainless steel, chrome fixtures, fiberglass, vinyl and glazed porcelain surfaces. For other surfaces, spot test in an inconspicuous area. Not recommended for use on acrylic, brass, marble, or natural stone surfaces.

KILLS 99.9% of Viruses* & Bacteria*

DISINFECTS: Kills 99.9% of common viruses* and bacteria, including
- Staphylococcus aureus (Staph.)
- Salmonella enterica (Salmonella)
- Escherichia coli (E. coli)
- Herpes Simplex Virus Type 1 and Influenza (H1N1) Virus

SHINES: Leaves a variety of surfaces with a streak-free shine

DEODORIZES: Has a fresh, citrus scent

INSTRUCTIONS FOR USE:

1. CLEAN: Spray 6-8 inches from surface to be cleaned. Allow foam to penetrate soil. For heavily soiled areas, let stand 1-4 minutes before wiping. Remove by wiping with a wet cloth or sponge. No need to rinse dry. On chrome, rinse with water.

2. DISINFECT AND DEODORIZE HARD, NON-POUROUS SURFACES: Pre-Clean heavily soiled areas. Spray 6-8 inches from hard non-porous surfaces until thoroughly wet. Let stand for 5 minutes. Then wipe.

3. BATH AND PREVENT THE GROWTH OF MOLD AND MILDEW: Remove gross dirt or heavy soil prior to applying the product for treatment against mold and mildew. On hard non-porous surfaces, apply solution until thoroughly wet. Re-apply as needed.

STORAGE & DISPOSAL: Store in a cool, dry place away from heat or flame. Do not puncture or incinerate. Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals. CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

PHYSICAL OR CHEMICAL HAZARDS: Contains under pressure. Do not use or store near heat or open flame. Exposure to temperature above 110°F (43°C) may cause bursting. Do not puncture or incinerate container.

FIRST AID:

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. If pain persists, seek medical attention. If on skin: Wash thoroughly with soap and water. If on clothing: Remove clothing if it is soaked. If on skin: Rinse skin immediately with plenty of water for 15-20 minutes. If swallowed: Do not induce vomiting. Call 1-800-227-3844 or seek medical assistance as directed by the Poison Control Center. If a product container is labeled with the word CAUTION, follow the treatment advice on the label for all but emergency situations.

IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE.

The product container is labeled with the word CAUTION.
