Kills 99.9% of Viruses & Bacteria

We Work Hard
So you don’t have to!

Effectively cleans tubs, showers, shower doors, basins, glazed ceramic tile, sinks, counters, stainless steel, chrome, fixtures, fiberglass, and glazed porcelain surfaces. For other surfaces, spot test in an inconspicuous area. Not recommended for use on acrylic, brass, marble, or natural stone surfaces.

CLEANS Foaming action easily removes soap scum, hard water stains, and dirt.

DISINFECTS Kills 99.9% of common viruses* and bacteria* like Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Escherichia coli, and Herpes Simplex Virus Type 1 and Influenza (H1N1) Virus.

DEODORIZES Has a fresh, clean scent.

INSTRUCTIONS FOR USE:
- It is a violation of Federal law to use this product in a manner inconsistent with its labelling. Shake well before use.
- Use CLEAN.
- Spray 6–8 inches from surface to be cleaned. Allow foam to penetrate soil. For heavily soiled areas, let stand several minutes before wiping. Remove by wiping with a wet cloth or sponge. No need to rinse dry. On chrome, rinse with water.
- For WOODEN AND PLASTIC HARD, NON-POUROUS SURFACES.
- Pre-clean heavily soiled areas. Spray 6–8 inches from hard non-porous surfaces until thoroughly wet. Let stand for 5 minutes. Then wipe.
- To PREVENT THE GROWTH OF MOLD AND MILDEW.
- Remove gross filth or heavy soil prior to applying the product for treatment against mold and mildew. On hard non-porous surfaces, spray surface until thoroughly wet. Apply as needed.

STORAGE & DISPOSAL:
- Store in a cool, dry place away from heat or flame. Do not puncture or incinerate. Nonrefillable container. Do not reuse or refill this container. For empty: Place in trash or offer for recycling, if available. If partly filled: Call your local solid waste agency or disposal instructions.

PRECAUTIONARY STATEMENTS: Hazards to Humans and Domestic Animals. CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin, clothing, or surrounding water. Use thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

PHYSICAL OR CHEMICAL HAZARDS:
CONTAINS LINTER. Do not use or store near heat or open flame. Exposure to temperature above 130°F (54°C) may cause bursting. Do not puncture or incinerate container.

FIRST AID:
If in EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

If on SKIN: Wash skin immediately with plenty of water for 15–20 minutes.

IN CASE OF EMERGENCY, CALL A POISON CONTROL CENTER OR DOCTOR FOR TREATMENT ADVICE.
We have the product container or label with you when calling a poison control center or doctor; or going for treatment.

*Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Escherichia coli (E. coli), and Staphylococcus pyogenes (Strep) are common bacteria like Pseudomonas aeruginosa (Pseudomonas), Enterobacter aerogenes, Methicillin-resistant Staphylococcus aureus (MRSA)

*Hepatitis A Virus Type 1, Herpes Simplex Virus Type 2, Influenza A (H1N1) Virus, Respiratory Syncytial Virus, Norovirus

NET WT. 22 OZ. (1 LB. 6 OZ.) 623 g

A family company since 1866.
