Perfect Coat® Flea & Tick Dog Shampoo

Flea & Tick
Dog Shampoo

Perfect Coat® Flea & Tick Dog Shampoo with flea and tick, cleans thoroughly, and leave coat and skin feeling clean and refreshed. Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read entire label before each use. Use only on dogs over 12 weeks of age. Consult a veterinarian before using this product on pregnant, aged, pregnant, nursing, or medicated animals. Sensitivity may occur after using any dermatological product for pets. If signs of sensitivity occur, better your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately.

Shake well before using. Not for human use. Apply liberal quantity of dog shampoo on coat and work in well. Massage gently using fingertips avoiding contact with eyes or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

STORAGE AND DISPOSAL: Pesticide Storage: Store in a cool dry place away from heat, open flame, and from children and pets. Pesticide Disposal and Container Handling: Non-refillable containers: Do not reuse or refill this container. Properly Reuse or Toss in trash or offer for recycling if available. Re-purpose. Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
