PRECAUTIONARY STATEMENTS

HAZARDOUS TO HUMANS AND DOMESTIC ANIMALS

S HAZARDOUS TO HUMANS

Harmful if swallowed or absorbed through the skin. Causes eye irritation. Avoid contact with skin, eyes, or clothing. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

S HAZARDOUS TO DOMESTIC ANIMALS

FOR EXTERNAL USE ON DOGS ONLY

Do not use on puppies under 6 weeks of age. Individual sensitivities, while rare, may occur after using any pest control product. Dogs may experience some temporary irritation at the site of product application. If signs of sensitivity occur, bathe your pet with mild soap or shampoo and rinse with large amounts of water.

If signs of sensitivity occur and persist, contact a veterinarian immediately. If your dog has an unusual reaction to this initial application, consult a veterinarian before reapplying product. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated, collared, spayed, pregnant, or nursing dogs, or animals known to be sensitive to pest control products.

FIRST AID

IF SWALLOWED:

- Call a Poison Control Center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything to an unconscious person.

IF IN EYES:

- Hold eyes open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes.
- Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

Have product container or label with you when calling a poison control center or doctor, or going for treatment.

You may also contact the hotline number 1-800-363-3659 for human or veterinary health concerns, emergency medical treatment information or pesticide incidents.
**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Do not allow children to apply product. TO PREVENT HARM TO YOU AND YOUR DOG, READ ENTIRE LABEL AND DIRECTIONS BEFORE EACH USE. FOLLOW ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS CAREFULLY. FOR EXTERNAL USE ON DOGS ONLY; DO NOT USE ON CATS OR PREGNANT OR LACTATING ANIMALS.

**DO NOT USE ON CATS.**

**FOR EXTERNAL USE ON DOGS AND PUPPIES ONLY.** Do not use on puppies under 8 weeks of age. Do not apply between dogs. Do not use multiple tubes on one dog. Weigh your dog to be sure you are applying the right dose formulated for the weight of your dog. Overdosing your dog can result in serious illness. Do not bathe your dog within the first 24 hours after the product has been applied. If your dog is exhibiting signs of an allergic reaction being treated for skin problems, talk to your veterinarian before applying any topical flea and tick control product. Do not apply more than once per month (every 35 days).

For use on DODS and PUPPIES (8 weeks old or older), to repell and kill fleas, ticks, and mosquitoes; to kill lice and to aid in the control of sarcoptic mites; to repell and prevent blood-feeding by biting fleas. Apply monthly according to directions.

**APPLICATION DIRECTIONS**

1. Remove one applicator from packaging. Hold applicator upright and remove cap.
2. Invert cap and place either end back onto applicator tip. Push cap down to break seal. Remove cap prior to treatment application.
3. Part dog's hair until skin is visible. Place applicator tip directly against exposed skin.
4. For small dogs and puppies 8 weeks old or older weighing 8 to 10 lbs or weighing 11 to 22 lbs. Expose entire contents by placing the entire applicator contents onto dog's skin at a single site, between the shoulder blades as shown in diagram 1b.
5. For medium dogs 23 to 44 lbs or on large dogs 45 to 88 lbs. Apply the product evenly to three spots on the dog's back, starting between the shoulder blades and continuing on to the second and third spots as shown in diagram 2b, squeezing the applicator until empty.
6. For extra large dogs 89 lbs to 132 lbs. Apply the product evenly to four spots on the dog's back, starting between the shoulder blades and continuing on to the second, third, and fourth spots as shown in diagram 3c, squeezing the applicator until empty. Ensure that EFFITRAX® Topical Solution for Dogs is applied superficially on dog's hair.

**FREQUENCY OF APPLICATION**

Fleas, lice, and biting and chewing lice. Infestations can be controlled with monthly applications of EFFITRAX® Topical Solution for Dogs. Billeting flies and mosquitoes are repelled by EFFITRAX® Topical Solution for Dogs.

**Precautions:** EFFITRAX® Topical Solution for Dogs can start killing flea adults within 6 hours and lasts for up to three months. Apply monthly if your dog has fleas that may cause flea allergy dermatitis (FAD), or if re-infestation is likely.

**Tailor EFFITRAX® Topical Solution for Dogs can kill lice for at least a month; apply monthly where lice control is consistently needed.**

**Lice:** EFFITRAX® Topical Solution for Dogs can kill lice and chewing lice for up to a month. Apply monthly where lice control is consistently needed.

**Mites:** EFFITRAX® Topical Solution for Dogs aids in the control of sarcoptic mange.

**Billeting Flies and Mosquitoes:** When applied monthly, EFFITRAX® Topical Solution for Dogs repels biting flies and mosquitoes for up to 4 weeks (more monthly; kills mosquitoes for up to four weeks per month).

**Notes:** Wait at least 30 days before re-application of EFFITRAX® Topical Solution for Dogs. Avoid contact with treated area until dry.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**STORAGE:** Store unused product in original container only, out of reach of children and animals.

**PESTICIDE/CONTAINER DISPOSAL:** If empty, Nonhazardous. Do not move or refill this container. Offer for recycling, if available. If partially filled, Call your local solid waste agency for disposal instructions. Never place unused product above any indoor or outdoor drain.

**LIMITED WARRANTY AND DISCLAIMER**

VEBAC warrants this product only if it is used, stored, and handled in accordance with the label instructions. The buyers and users are solely responsible for all risks of use and handling of this product when such use and handling are contrary to or differ from the label instructions. To the extent permitted by applicable law, any damages arising from a breach of this warranty will be limited to direct damages only and shall not include any type of consequential damage.
