SAVVY
HIGH SURFACTANT OIL CONCENTRATE

Principal Functioning Agents:
Soybean oil methyl ester, fatty acids of tall oil, nonylphenol ethoxylate ................................. 99.0%
Constituents ineffective as spray adjuvants .............. 1.0%
Total ........................................................................ 100%

All ingredients are exempt from tolerance under 40 CFR 180.
WA REG NO. 46661-13001

KEEP OUT OF REACH OF CHILDREN
WARNING
Causes substantial but temporary eye injury. Causes skin irritation. Harmful if swallowed, inhaled or absorbed through skin. Do not get on eyes, skin or clothing. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

Personal Protective Equipment: Wear protective eyewear (goggles or face shield), chemical-resistant gloves, coveralls worn over long-sleeved shirt and long pants, and chemical-resistant footwear plus socks. When mixing and loading wear a chemical-resistant apron.

FIRST AID
Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.

IF SWALLOWED: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

NET CONTENTS:
GENERAL INFORMATION

SAVUY is a highly concentrated blend of emulsifiers and methylated seed oil. The product is designed for use with a broad range of herbicides where a high surfactant oil concentrate adjuvant is recommended or allowed. High surfactant oil concentrates allow lower use rates than standard oil adjuvants. SAVUY increases contact activity and penetration of the spray, while also providing uniform coverage on leaf surfaces. Always follow herbicide label recommendations. Care should be taken in treating sensitive crops during drought stress, high temperatures and high humidity.

DIRECTIONS FOR USE
NOT FOR AQUATIC USE

To prepare for pesticide application, fill spray tank one-half full with water and begin agitation. Add pesticide or fertilizer as recommended and then add SAVUY, while continuing agitation. Fill tank and maintain agitation before and during application.

NOTE: The effect of any adjuvant on a chemicals performance is not predictable under all conditions of weather, plant vigor, application methods and even water types. The user should consult their local agricultural extension agent or do their own tests to determine the optimum level of SAVUY for special pesticide spray and crop.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. For optimal storage, Store between 40° and 90° F.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY STATEMENT

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
