STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only.
Do not spray in enclosed areas. Hold can 6-8 inches from skin and clothing while spraying, keeping sprayer pointed away from face. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. For maximum protection on skin, spread with hands after application. Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children’s hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Frequent reapplication or saturation is unnecessary. Avoid over-application of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage nylon, cotton or wool. May damage some synthetic fabrics, plastics, watch crystals, leather, painted or varnished surfaces. Use of this product may cause skin reactions in rare cases. If you suspect reaction to this product, discontinue use, wash treated skin and call your local Poison Control Center. If you go to a doctor, take this product with you.
