Refill Good for 30 Days • On 15 Minute Standard Spray Interval Setting
Don't Just Deodorize, Sanitize — Remove Bacteria from the Air
Chemically Bonds to Malodor Molecules to Kill Odor Source
Nonflammable, Ultra Dry Hydro-Alcoholic Formula
Low VOC Content with less than 30% by Weight
Contains No Petroleum Distillates

This product eliminates odors and odor causing bacteria from the air when used as directed. As an air sanitizer, this product effectively kills odor causing bacteria to cleanse the air you breathe. As a deodorant, the next generation odor countermeasure system chemically bonds with the malodor molecules destroying the odor source instead of just covering up or masking. Odors from mold, smoke, vomit, feces, urine and pathogenic entities from garbage receptacles, diaper hampers, in kitchen, garages, basements, and other challenging areas are effectively treated. Especially suited for use in public rooms, offices, bedrooms, living rooms, dining rooms, restrooms, bathrooms/showers, pools or spa areas, pool houses, closets, basements, storage rooms, kitchens, cafeterias, schools, offices, hotels, casinos, hospitals, nursing homes, prisons, laundromats, theaters, auditoriums, railroad cars, heavy truck cabs, airplanes, RVs, campers, boats, cabins, beach houses, buses, taxis, etc. Sitting rooms, smoking rooms, game rooms, locker rooms, health clubs and fitness centers, factories, mills, department stores, grocery stores, and more. The advanced, low VOC chemistry is hydro-alcoholic with no petroleum distillates or hydrocarbon propellants. The ultra-dry spray has little fall out and is nonflammable. Frequent use will provide refreshed, pleasant air all day that is not just deodorized but also sanitized by reducing odor causing bacteria.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To temporarily reduce airborne bacteria and eliminate odors, open the door of the cabinet and remove used can if present. With the valve opening pointed toward you, place new can in dispenser per instructions. Door may or may not need to be closed for the following test depending on dispenser model. Set one to side, then turn control switch to "ON" position and/or push "TEST" button to confirm proper operating. Dispenser should operate one full cycle and spray once. Close door if not done already.

Dispenser now contains 3000 sprays for use in closed areas and will last for 30 days when used on a 24 hour basis set to dispense every 15 minutes. One dispenser/refill is recommended per 6000 cubic feet of space or a room 30'x25'x8'. Air movement and ventilation rate may vary somewhat. Relative humidity should be 45-45% for maximum effectiveness. NOTE: Dispensers should be mounted no well at least 4 feet above the floor and in a location free from furniture, sensitive plastic surfaces or any other objects 3 feet in front of the cabinet. Not intended for use by placement on horizontal surfaces such as cabinets, shelves or other finished surfaces.

STORAGE & DISPOSAL: STORAGE: Store in a cool area away from heat or open flame. DISPOSAL: Do Not Puncture or Incinerate! IF EMPTY: Place in trash or offer for recycling if available. P-POUR AND FILL: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS:

CAUTION: Avoid contact with eyes. Wash hands thoroughly with soap and water after use.
FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-10 minutes. Remove contact lenses, if present, after the first 5 minutes. Then continue rinsing eyes. Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also call the National Poison Control Center at 1-800-222-1222 for emergency medical treatment information.

PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

KEEP OUT OF REACH OF CHILDREN.

CAUTION:

See back panel for additional precautionary statements.
