**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**SAFETY PRECAUTIONS**

- Instructed the user to read the label before use. The user must be aware of the potential hazards associated with the use of the product.

**ENVIRONMENTAL HAZARDS**

- Warns the user to use the product in accordance with the label instructions.

**ACTIVE INGREDIENTS**

- Lists the active ingredients of the product:
  - 2,2-dimethyl-cyclopropanecarboxylate.......................................................................................... 0.025%
  - β-Imidacloprid, 1-[(6-Chloro-3-pyridinyl)methyl]-N-nitro-2-imidazolidinimine .............................. 0.050%

**SAFE USE FOR**

- Provides information on the safe use of the product:
  - When used as directed, the product is safe for use around pets, children, and vegetation.

**SAFE STORAGE**

- Emphasizes the importance of proper storage and disposal of the product.

**FOR USE IN AND AROUND**

- Lists the places where the product can be used:
  - Residential areas
  - Non-food/non-feed areas
  - Processing and packing areas

**DISTRIBUTION**

- Provides information on the distribution of the product:
  - Manufacturing establishments
  - Nursing homes
  - Poultry houses
  - Petrochemical facilities
  - Processing and packing plants

**CONSUMER INFORMATION**

- Provides consumer information:
  - Do not apply in classrooms, hospital, and/or nursing home rooms
  - Do not apply in food/feed areas of food and feed handling establishments.

**SHOULD A PROBLEM OCCUR**

- Provides guidance on what to do if a problem occurs:
  - Contact Bayer Consumer Science.

**DISCLAIMER OF WARRANTIES AND LIMITATIONS OF LIABILITY.**

- States that the manufacturer makes no warranties beyond those stated on the label.
