BN

Do not apply this product in hospital patient rooms while occupied or in any rooms which are occupied by the elderly or infirm. Do not apply in classrooms when in use. Do not apply to fabrics including libraries, sports facilities, etc. when occupants are present in the immediate area.

DO NOT USE THIS PRODUCT IN OR ON ELECTRICAL EQUIPMENT DUE TO THE POSSIBILITY OF SHOCK HAZARD.

For contact and residual sprays, mix with water in the following manner:

<table>
<thead>
<tr>
<th>Finished spray</th>
<th>Insect Control Fluid (Fluid Ounces)</th>
<th>Water</th>
<th>Total Dilution (Fluid Ounces)</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.75%</td>
<td>2 1/2 (4 fl. Oz)</td>
<td>1 gal.</td>
<td>3 1/2 gal</td>
</tr>
<tr>
<td>0.50%</td>
<td>5 gal. (10 fl. Oz)</td>
<td>1 gal.</td>
<td>6 gal.</td>
</tr>
<tr>
<td>0.25%</td>
<td>10 gal. (20 fl. Oz)</td>
<td>1 gal.</td>
<td>11 gal.</td>
</tr>
</tbody>
</table>

For heavy infestations, use the 0.25% dilution. For lighter infestations and for maintenance purposes, use the 0.50% dilution. One gallon of finished spray is sufficient to treat 1,360 linear feet with a 6 inch spray band.

INSTRUCTIONS FOR USE ON ANIMALS AND ANIMAL PREMISES

- DAIRY BARNS, DAIRY HOUSES, MILK ROOMS, CATTLE, POULTRY HOUSES, ETC.
- HOMESTABLES, STABLES, PADDOCKS, ETC.

- For initial clean up of severe insect infestation, dilute at a rate of 1 part concentrate in 25 parts water (0.8 ounces per gallon) (0.5%). For normal applications, dilute 1 part concentrate in 133 parts water (1 1/2 ounces per gallon) (2 tablespoons per gallon) (2%)

In case of contact with eyes, wash them with plenty of running water for at least 15 minutes.
STORAGE AND DISPOSAL

How to Apply

1. Apply the product on the skin surface where the antimalarial drug is needed.
2. Follow the instructions provided on the label for proper use.
3. Wash hands thoroughly after handling the product.

Precautions

1. Do not apply on broken skin or near eyes, nose, mouth, or ears.
2. Keep out of reach of children.
3. Do not use near open flames or other sources of ignition.

Note to physicians

1. Consult the product information provided on the label before use.
2. Read all instructions carefully before applying the product.
3. In case of accidental ingestion, contact a physician immediately.

First Aid

1. If the product is swallowed, contact a physician or poison control center immediately.
2. For eye contact, wash with plenty of water for at least 15 minutes.
3. For skin contact, wash with soap and water.

Warning

1. This product is for external use only. Do not use near eyes, nose, mouth, or ears.
2. Keep the product away from children and pets.
3. Do not use on children under the age of 2.

Note

1. This product contains active ingredients that may cause skin irritation.
2. Always read the label and follow the instructions carefully.
3. Do not apply on broken skin or near eyes, nose, mouth, or ears.

Precautions for Individuals

1. Do not use this product if you have a known allergy to any of its ingredients.
2. Consult a physician if you have any medical conditions that may affect the use of this product.
3. Do not use this product if you are pregnant or breastfeeding.

Instructions

1. Apply the product to the skin surface where needed, following the instructions on the label.
2. Wash hands thoroughly after handling the product.
3. In case of accidental ingestion, contact a physician immediately.

Note to Physicians

1. Consult the product information provided on the label before use.
2. Read all instructions carefully before applying the product.
3. In case of accidental ingestion, contact a physician immediately.

First Aid

1. If the product is swallowed, contact a physician or poison control center immediately.
2. For eye contact, wash with plenty of water for at least 15 minutes.
3. For skin contact, wash with soap and water.
