DIRECTIONS FOR USE
To control foam in a premix before it forms, use at a rate of 1 ounce per 100 gallons of solution. If existing foam is present, a rate of 1-2 ounces per 100 gallons may be required. Rates of No Foam may vary with tank size, type of agitation, chemical being used, and type of water being used.

Air Applications: Add to premix tank as soon as possible during filling.

Ground Applications: Add to spray tank as soon as possible during filling.

Backpack or Hand Held Sprayers: Use 1/16 to 1/8 teaspoon per gallon of spray solution.

Shake Well Before Use. Residue in bottom of container is normal.

STORAGE AND DISPOSAL
1. PROHIBITIONS: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

2. STORAGE: Store in original container only and keep sealed.

3. PESTICIDE DISPOSAL: Improper disposal of excess spray mixtures or rinseate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on site spray application or at an approved waste disposal facility.

4. CONTAINER DISPOSAL: Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

WARRANTY STATEMENT
WILBUR-ELLIS COMPANY warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with directions under normal use conditions. It is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials or the manner of use or application, all of which are beyond the control of WILBUR-ELLIS COMPANY. In no case shall WILBUR-ELLIS COMPANY be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer. The exclusive remedy of any buyer or user of this product for any and all losses, injuries, or damages resulting from or in any way arising from the use, handling, or application of this product, whether in contract, warranty, tort, negligence, strict liability or otherwise, shall not exceed the purchase price paid for this product or at WILBUR-ELLIS COMPANY'S election, the replacement of this product. WILBUR-ELLIS COMPANY MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.

GENERAL INFORMATION
No Foam is a concentrate defoamer useful for controlling both entrained air and surface foam in agricultural sprays.

No Foam performs well with all agricultural chemicals and is especially effective with thickening agents used for agricultural sprays.

No Foam is especially effective in recirculating sprayers or other high agitation equipment.

No Foam is a 10% active silicone, approved for use as a spray adjuvant or in food processing under 40 CFR 180.960.

Not for aquatic use.
