EPA Est. No. 4 NY 1 EPA Reg. No. 53883-194-85925
For Outdoor Use Around Residential Sites Only
KEEP OUT OF REACH OF CHILDREN
CAUTION See back panel for additional Precautionary Statements and First Aid
GENERAL INSTRUCTIONS
This product is for use in lawns, around home foundations (perimeter treatment), ornamental and flower gardens, and vegetable gardens for the control of the insect pests listed in the tables below.

VEGETABLE GARDENS
This product can be applied to the vegetables listed below. Apply a single application before planting or after plants emerge and work into the top 4 to 6 inches of soil. Use 1.0 lb of product for a 500 sq. ft. area

<table>
<thead>
<tr>
<th>Crop</th>
<th>Days to Harvest</th>
</tr>
</thead>
<tbody>
<tr>
<td>Corn</td>
<td>1</td>
</tr>
<tr>
<td>Green Peas, Sugar Snap Peas, Snow Peas, Green Beans (Wax Beans, Snap Beans)</td>
<td>3</td>
</tr>
<tr>
<td>Dry Beans (Black Eyed Peas, Cow Peas)</td>
<td>5</td>
</tr>
<tr>
<td>Cucumbers</td>
<td>7</td>
</tr>
<tr>
<td>Broccoli, Chinese Broccoli, Cabbage, Cauliflower, Kohlrabi, Chinese Mustard, Eggplant, Head Lettuce, Peppers (Bell and Non-Bell)</td>
<td>7</td>
</tr>
</tbody>
</table>

ORNAMENTALS & FLOWERS
This product can be applied just before planting or after plants emerge. Apply 0.5" to 1 lb. evenly over each 500 sq. ft. area. Repeat if there are signs of renewed insect activity.

LAWNs - Apply this product when insect activity or damage is first observed (mowing, brown spots appear, or moths fly up from the grass when mowed). Spread this product uniformly over lawn, at the rates listed in Table 1. Water in product after application. Do not use any other weed, disease, or insect control products for at least one week after application. For best results and to prevent further damage, treat the entire lawn, not just the browned areas. Repeat application if there are signs of resumed insect activity. Note: Food utensils such as tableware and teapots must not be used for food purposes after application.

Table 1

<table>
<thead>
<tr>
<th>Pest</th>
<th>Application Rate</th>
</tr>
</thead>
<tbody>
<tr>
<td>Ants (including Carpenter, Red-Headed, C killer, Pyramid, Argentine)</td>
<td>Uniformly apply 1 to 2 pounds over a 500 sq. ft. area of lawn.</td>
</tr>
<tr>
<td>Armyworms (including armyworms and Fall armyworm)</td>
<td>For control, apply 2 lbs of product per 500 sq. ft.</td>
</tr>
<tr>
<td>Billbugs (including Bluegrass, Little, Hine, and Billbug)</td>
<td>For best results, thoroughly water the treated area after application.</td>
</tr>
<tr>
<td>Grubs</td>
<td>For Fall Armyworms: Uniformly apply 1 to 3 pounds of granules to the surface of each mound. For best results, apply in very hot weather, 65 to 70°F, in early morning or late evening hours. Avoid disturbing ants and treat new mounds as they appear. Thoroughly water the treated area after application.</td>
</tr>
<tr>
<td>Mai Crickets</td>
<td>Uniformly apply 1 to 2 pounds over a 500 sq. ft. area of lawn. For best results, thoroughly water the treated area after application.</td>
</tr>
</tbody>
</table>

In New York State, this product may NOT be applied to any grass or turf area (lawns) within 100 feet of a water body (lake, pond, river, stream, or drainage ditch). In New York State, do make a single repeat application of this product if there are signs of renewed insect activity, but no sooner than two weeks after the first application.

HOMEFANES/BARRIER TREATMENT
Evenly apply a 2 foot wide band next to the house. For A product, use 0.5" to 1.0 lb for each 500 sq. ft. (2 ft. x 250 ft).

STORAGE AND DISPOSAL
Prohibitions: Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage: Keep out of reach of children and domestic animals. Store in original containers only. Store in a cool, dry place and avoid excess heat. Carefully open containers. For rigid containers, after partial use replace lids and caps tightly. For other containers, after partial use seal container. Dispose of empty containers and packaging.

FIRST AID

If skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If in eyes: Hold eye open and rinse slowly with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Precautionary Statements - Hazard to Humans (and Domestic Animals)

CAUTION: Harmful if inhaled through the skin. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.

ENVIRONMENTAL HAZARDS

This pesticide is extremely toxic to fish and aquatic invertebrates. To protect the environment, do not allow pesticides to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not anticipated for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back into the treated area of the lawn or garden will help to prevent run off to water bodies or drainage systems.

Notice: Buyer assumes all responsibility for safety and use in accordance with directions.
