DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

PRECAUTIONS AND RESTRICTIONS

- Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application. Do not allow people or pets to enter the treated area until sprays have dried.

- Do not exceed specified dosage. This product is intended for spot spraying individual weeds only.

- Do not apply as a fine mist because of potential for injury to desirable plants.

- Do not use this product on or near desirable plants, including contact of spray on exposed root systems or adventitious shoots within the drip line of desirable trees and shrubs, since injury may result.

- Do not apply directly to or near water, storm drains, gutters, sewers, or drainage ditches. Do not apply within 25 feet of rivers, fish ponds, lakes, streams, reservoirs, marshes, estuaries, bays, and oceans. Do not apply when windly. To prevent product run-off, do not over water the treated area(s) to the point of runoff or apply when raining or when rain is expected that day.

---

WHAT IT IS AND HOW TO USE IT

This product contains Trimec® turf herbicide, a combination of three proven weed killers 2,4-D, mecoprop and dicamba. Together they control a wide range of broadleaf lawn weeds; some of which are listed on this label.

Use to “spot treat” weeds in the lawn. For best results, apply when weeds are actively growing. Do not water within 24 hours after spraying. Use as is. Do not mix. Do not dilute. Aim at weed and spray. Only a short burst is needed. Overspraying only wastes the product and may cause damage to grasses such as centipede grass, St. Augustine grass, and Floratam. Effects begin to show after a few days and weeds gradually die. Up to 4 weeks may be required for complete kill. Repeat in 30 days if necessary. The number of spot treatments is limited to 2 per year.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION** - Harmful if absorbed through skin. Harmful if swallowed. Avoid contact with skin, eyes, or clothing. Causes moderate eye irritation. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Wear long-sleeved shirt, long pants, socks, shoes, and gloves. Remove and wash contaminated clothing before reuse.

**Environmental Hazards**

This pesticide is toxic to fish and aquatic invertebrates and may adversely affect non-target plants. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area.

This chemical has properties and characteristics associated with chemicals detected in groundwater. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination. Application around a cistern or well may result in contamination of drinking water or groundwater.

### STORAGE AND DISPOSAL

**PESTICIDE STORAGE:** Store in original container in a locked storage area inaccessible to children and pets.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If Pardy Filled - Call your local solid waste agency for disposal instructions. Never place unused product or empty containers in surface waters.

**FIRST AID**

**If in eyes:**
- Hold eye open and rinse slowly and gently with water for 15 - 20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison center or doctor for treatment advice.

**If swallowed:**
- Do not induce vomiting unless instructed to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**If on skin or clothing:**
- Wash off contaminated clothing.
- Wash skin immediately with plenty of water for 15 - 20 minutes.
- Call a poison center or doctor for treatment advice.

**NOTICE:**

For use only as directed. To the extent consistent with applicable law, the manufacturer neither makes nor extends any express or implied warranties, including any warranty of merchantability or fitness for a particular purpose, which are hereby expressly disclaimed. To the extent consistent with applicable law, in no case shall the manufacturer be liable for incidental, consequential, or special damages resulting from the use or handling of this product. If these terms are not acceptable, return this product unopened immediately to the point of purchase, and the purchase price will be refunded in full. The terms of this LIMITED WARRANTY AND DISCLAIMER cannot be varied by any written or verbal statements or agreements at the point of sale or elsewhere.

For information on pesticide products (including health concerns, medical emergencies or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.
