LONZABAC®12
FOR MANUFACTURING USE ONLY

KEEP OUT OF REACH OF CHILDREN
DANGER

Hazard Statement: Harmful if swallowed. Harmful if in contact with eyes, clothing, or skin.

Proper Containment: To avoid splashing, use a fume hood. Wash hands and equipment immediately after use.

Environmental Hazards: May contaminate water in areas where used, contaminating soil, plants, and animals.

Precautionary Statements: Precautionary statements are found on the label. Keep out of reach of children.

FIRST AID

1. If swallowed: Do not induce vomiting. Get medical attention immediately. Call Poison Control Center or doctor. Have the product container with you.

2. If in eyes: Rinse eyes with plenty of water for at least 15 minutes. If irritation persists, have the product container with you and seek medical attention.

3. If on skin: Wash with soap and water or other mild cleanser. If irritation persists, seek medical attention.

4. If on clothing: Remove clothing immediately and gently wash with water for 15-20 minutes. Call Poison Control Center or doctor for medical advice.

Preparation: Wear protective clothing, safety glasses, and respirator. Do not inhale dust or fumes. Avoid contact with skin and eyes.

If exposed, wash with soap and water. Do not use soap or detergent that contains silicone. If irritation persists, seek medical attention.

PPE: Wear protective clothing, safety glasses, and respirator. Do not inhale dust or fumes. Avoid contact with skin and eyes.
