Border Xtra 8L

Water Conditioning Agent, Surfactant and Drift Control Agent

KEEP OUT OF REACH OF CHILDREN

WARNING
WA Reg. No. 9349-13011
BORDER™ XTRA 8L
WATER CONDITIONING AGENT, SURFACTANT AND DRIFT CONTROL AGENT

PRINCIPAL FUNCTIONING AGENTS
Ammonium sulfate, N-Methyl-N-oleoytaurine sodium salt,
2-Hydroxypropyl Guar gum..............................................................37.12%
Constituents Ineffective As Spray Adjuvants ..................................62.88%
TOTAL................................................................................................. 100.00%
All ingredients are approved for use under 40 CFR 180
Surfactant content: 3.5%
WA Reg. No. 9349-13011

KEEP OUT OF REACH OF CHILDREN
WARNING

PRECAUTIONARY STATEMENTS
Causes eye irritation. If medical advice is needed, have product container or
label at hand. Read label before use. Wash protective equipment and work
clothes thoroughly after handling. Specific treatment is given in the First Aid
section on this label or on the SDS.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
Applicators or other handlers of this product should wear splash-proof chemical
safety goggles, chemical-resistant gloves, long-sleeved shirt, pants, socks and
shoes. Consult the SDS for further information.

FIRST AID
If Swallowed: Call a POISON CENTER/doctor or Chemtrec if person feels
unwell. Rinse mouth. Have person sip a glass of water if able
to swallow. Do not induce vomiting unless told to by a poison
control center or doctor. Do not give any fluids to an
unconscious person.
If In Eyes: Rinse cautiously with water for several minutes. Remove
contact lenses, if present and easy to do. Continue rinsing. If
eye irritation persists: Get medical advice or attention.
If On Skin: Wash affected area with plenty of soap and water. Cold water
may be used. If skin irritation occurs: Get medical advice or
attention. Call a POISON CENTER/doctor or Chemtrec if
person feels unwell.
If Inhaled: Move person to fresh air and keep comfortable for breathing. If
person is having difficulty breathing, give oxygen. If not breath-
ing, give artificial respiration. Call a POISON CENTER/doctor
or Chemtrec if person feels unwell.

GENERAL INFORMATION
BORDER XTRA 8L is a liquid activator adjuvant specifically formulated to
maximize pesticide performance on a wider range of weed species by
eliminating spray particle bounce, thus providing superior adhesion of the spray
solution to the leaf surface while providing the required amount of ammonium
and sulfate ions.

DIRECTIONS FOR USE
The addition of adjuvants to some pesticides and/or fertilizers and their tank
mixes may cause phytotoxicity to the foliage and/or fruit of desirable crops.
Before using BORDER XTRA 8L, the applicator or crops advisor must have
experience with the pesticide combination, including BORDER XTRA 8L, or
must have conducted a phytotoxicity test.

USE RATES
Ground Application: 2.5% (2.5 gallons) of BORDER XTRA 8L per 100
gallons of spray solution.
Aerial Application: 2.5–5% (2.5–5 gallons) of BORDER XTRA 8L per 100
gallons of spray solution.
BORDER XTRA 8L provides 8.5 lbs. of dry ammonium sulfate per 2.5 gallons.

MIXING
In the absence of specific mixing instructions found on the pesticide label, fill
the spray tank with at least 50% of the desired finished carrier volume. While
premixing in a mixing vessel or inducer, fill with at least 20% of the desired
finished carrier volume. While the carrier is agitating, add tank mix ingredients
in the following order:
1. Compatibility agent and/or antifoam, if needed
2. AMS, dry formulations (WP, DF, WDG, SP), and dry drift retardants
3. Dry soluble and suspension fertilizers / micronutrients
4. Liquid drift retardants and flowable formulations (F & FL)
5. Liquid concentrates, suspension and microencapsulated (LC, SC, ME)
6. Emulsifiable concentrates (E, EL or EC)
7. Solutions and soluble liquids (S or SL)
8. Liquid micronutrients and fertilizers
9. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS)
10. Finish filling to desired spray volume level and continue agitation

STORAGE AND DISPOSAL
Protect product from freezing. If product freezes, warm to room temperature
and agitate before use. Keep containers sealed when not in use. Store in
original container only. Do not reuse empty container. Triple rinse (or equivalent)
during mixing and loading. Recycling decontaminated containers is the best
option of container disposal. The Agricultural Container Recycling Council
(ACRC) operates the national recycling program. To contact your state and
local ACRC recycler visit the ACRC web page at www.acrecycle.org.
Decontaminated containers and materials must be disposed of in a manner
allowed by local, state and federal laws and regulations.

CONDITIONS OF SALE
Note: Read the information contained herein before buying or using this product. If the stated
terms are not acceptable, return the product at once, unopened. It is critical that this product be
used and mixed only as specified on this label. Neither the manufacturer nor the seller makes
any representation or warranty, expressed or implied, with respect to the results from the use
of this material. Buyer and user assume all risks of use and/or handling. Precision Laboratories,
LLC warrants that this material is reasonably fit for use as specified on this label. No agent or
representative is authorized to make any other representations concerning this material.
Unforeseen factors beyond Precision's control prevent elimination of risks in connection with
the use of its chemicals. Such risks include, but are not limited to, damage to plants and/or
crops to which the material is applied, or lack of complete control and damage caused by drift
to other plants or crops. Such risks may occur even though the product is reasonably fit for use
as stated herein and even though label directions are followed. Follow directions carefully.
Timing, mixture, method of application, weather and other conditions are influencing factors in
the use of this product and are beyond the control of the seller. Except to the extent prohibited
by applicable law, the exclusive remedy of the user or buyer and the limit of liability of the
company or any other seller for any and all losses, personal injuries or damages resulting from
the use of this product, shall be the purchase price paid by the user or buyer for the quantity of
product involved.
