ULINE 2 in 1 CLEANER and DISINFECTANT

KILLS 99.9% OF BACTERIA

S-19374

NET CONTENTS:
1 GALLON
(3.78L)

CAUTION.

Keep out of reach of children.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION. Keep out of reach of children. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water if skin or clothing is contacted. Do not use near food or food preparation areas. Disposal of excess product or runoff is a violation of federal law. In the event of an exposure, consult a physician or poison control center. Additional information for first aid, disposal, and storage is available at: http://www.epa.gov/opp/TSCA/index.html. See the label of this product for more information.

Pesticide Storage: Store in a dry place no lower in temperature than 50°F or higher than 120°F. Do not store near food or food containers. Do not store near seeds or home or personal care products. Do not store with incompatible materials. Do not recondition, if available. If not available, puncture and dispose in a sanitary landfill. Turn the cap over to the left, then turn clockwise to close. Keep out of reach of children. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water if skin or clothing is contacted. Do not use near food or food preparation areas. Disposal of excess product or runoff is a violation of federal law. In the event of an exposure, consult a physician or poison control center. Additional information for first aid, disposal, and storage is available at: http://www.epa.gov/opp/TSCA/index.html. See the label of this product for more information.

Pesticide Disposal: Do not dispose of this product by incineration (unless at a licensed incinerator) or by exposure to heat or flame. This product is not for use on fruits or vegetables. Do not contaminate water, food, or feed by storage or disposal. Do not export waste.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

FIRST AID:

If inhaled, move victim to fresh air. If not breathing, give artificial respiration. If breathing is difficult, administer oxygen. If breathing stops, give artificial respiration. If you are unconscious, give artificial respiration. If you are not conscious, give artificial respiration. If breathing stops, give artificial respiration. If you are not conscious, give artificial respiration.

If in eyes, move victim to fresh air. If irritation persists, call a poison control center. Keep victim at a distance from further treatment advice. You may contact 1-800-424-9300 for emergency medical treatment information.

KEEP OUT OF REACH OF CHILDREN.

CONTAINER DISPOSAL:

Nonrefillable container. Do not reuse or refill container. Clean reconditioned container with soap and water. Turn the cap over to the left, then turn clockwise to close. Keep out of reach of children. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water if skin or clothing is contacted. Do not use near food or food preparation areas. Disposal of excess product or runoff is a violation of federal law. In the event of an exposure, consult a physician or poison control center. Additional information for first aid, disposal, and storage is available at: http://www.epa.gov/opp/TSCA/index.html. See the label of this product for more information.
