One last meal for slugs and snails

- Excels at Destroying Slugs and Snails
- Contains a Patented formula! Patent No. 4,961,929
- Long Lasting: Remains effective after rain and watering
- Effective: Excels at attracting and destroying slugs and snails
- Long Lasting: Resistant to rain and watering.
- Not easily dissipated by water.
- One Last Meal for Slugs and Snails

ACTIVE INGREDIENT:
Metaldehyde (2,4,6,8-Tetramethyl-1,3,5,7-Tetraoxycyclo-octane) ........................................ 4.0%

INERT INGREDIENTS: ........................................ 96.0%

TOTAL: .................................................. 100.0%

KEEP OUT OF REACH OF CHILDREN

This pesticide may be fatal to children and dogs, or other pets if eaten. Keep children and pets out of treated areas.

**FIRST AID**

**If swallowed:**
- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

**If in eyes:**
- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**If on skin or clothing:**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**EMERGENCY INFORMATION**

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

**FOR THE FOLLOWING EMERGENCIES, PHONE 24 HOURS A DAY:**
- For Medical Emergencies phone: ........................................ 1-888-681-4261
- For Transportation Emergencies, including spill, leak or fire, phone: CHEMTREC® ........................................ 1-800-424-9300
- For Product Use Information phone: AMVAC® ........................................ 1-888-462-6822

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans & Domestic Animals**

**CAUTION:** Harmful if swallowed. Avoid breathing dust. May cause eye irritation. Avoid contact with skin, eyes, or clothing. This pesticide may be fatal to children and dogs or other pets if eaten. Keep out of reach of children and pets, poultry and livestock. Keep children and pets out of treated areas.

**Personal Protective Equipment (PPE)**

Applicators and other handlers must wear:
- Long sleeved shirt and long pants
- Shoes plus socks

Follow manufacturer’s instructions for cleaning and maintaining PPE. If no such instructions for washables, use detergent and hot water. Keep and wash PPE separately from other laundry.

When handlers use closed systems, enclosed cabs, or aircraft in a manner that meets the requirements listed in the Worker Protection Standard (WPS) for agricultural pesticides (40 CFR 170), the handler PPE requirements may be reduced or modified as specified in the WPS.

**USER SAFETY RECOMMENDATIONS**

Users should:
- Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

**ENVIRONMENTAL HAZARDS**

For terrestrial uses, do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that will contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirements specific to your state or tribe, consult the agency responsible for pesticide regulation.

**AGRICULTURAL USE REQUIREMENTS**

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, greenhouses and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), and restricted entry interval. The requirements in this box apply only to users of this product that are covered by the Worker Protection Standard. Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 12 hours. PPE required for early entry to treated areas that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water, is:
- Long sleeved shirt and long pants
- Shoes plus socks

**NON-AGRICULTURAL USE REQUIREMENTS**

The requirements in this box apply to uses of this product that are not within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forest, nurseries or greenhouses. This pesticide may be fatal to children, dogs or other pets if eaten. Keep children and pets out of treated areas.

**APPLICATIONS**

Apply as a soil surface treatment. May be broadcast by air or ground equipment unless specified otherwise in the label. Use a band treatment between the rows after formation of edible parts. Do not apply directly to or contaminate edible portions of the plant. Do not mix with any seeds prior to application. May be applied to the following crops to protect from slugs and snails.

**FIELD CROPS:** Corn, soybean (Only for use in the following states Alabama, Arkansas, Connecticut, Delaware, Georgia, Louisiana, Maine, Maryland, Massachusetts, Mississippi, North Carolina, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Vermont, Virginia) crops grown for seed: Apply 10 to 40 lbs. per acre.

**SEED CROPS:** Grasses and soybean (Only for use in the following states Alabama, Arkansas, Connecticut, Delaware, Georgia, Louisiana, Maine, Maryland, Massachusetts, Mississippi, North Carolina, New Hampshire, New Jersey, New York, Ohio, Pennsylvania, Rhode Island, South Carolina, Tennessee, Virginia) crops grown for seed: Apply 10 to 40 lbs. per acre.

**Vegetables:** Broccoli, brussel sprouts, cabbage, cauliflower, collards, kale, kohlrabi, lettuce, mustard greens, tomatoes; Apply 20 to 40 lbs. per acre.

**ARTIFICIALLY:** By air or ground application before tight bud stage: Apply 25 to 70 lbs. per acre. After tight bud stage, apply by ground application only.

**TREE CROPS:** Citrus: Apply 20 to 40 lbs. per acre to give even distribution.

**SMALL FRUIT:** Blueberries, blackberries, boysenberries, caneberies, loganberries, raspberries, strawberries: Apply 10 to 40 lbs. per acre.

**ORNAMENTAL:** Ornamental greenhouses, commercial ornamental nurseries: Normally apply 1/2 to 2 lbs. per 1,000 sq. ft. (10 – 40 pellets per sq. ft.). Repeat treatment as necessary to maintain control. DO NOT apply pellets in pines.

For best results, apply in evening. Especially beneficial if applied following rain or watering. Apply every 3 to 4 weeks during growing season, or as needed.

**STORAGE AND DISPOSAL**

Storage: Do not contaminate water, food, or feed by storage or disposal. Use product only from original container and keep in locked storage area away from children and pets. Keep container tightly closed when not in use. Do not store near feed or food.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Dispose of any spills or piles that may occur. Do not leave excess product at application sites.

Container Disposal: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. When completely empty, offer for recycling, if available or dispose of empty bag in sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

**LIMITED WARRANTY AND DISCLAIMER**

The manufacturer warrants (a) that this product conforms to the chemical description on the label; (b) that this product is reasonably fit for the purposes set forth in the directions for use, subject to the inherent risks referred to herein, when it is used in accordance with such directions; and (c) that the directions, warnings, and other statements on this label are based upon responsible experts’ evaluations of reasonable tests of effectiveness, of toxicity to laboratory animals and to plants and residues on food crops, and upon reports of field experience. Tests have not been made on all varieties of food crops and plants, or in all states or under all conditions.

There are no express warranties other than those set forth herein. To the extent consistent with applicable law the manufacturer neither makes nor intends, nor does it authorize any agent or representative, to make any other warranties, express or implied, and it expressly excludes and disclaims all implied warranties of merchantability of fitness for a particular purpose, or any warranty of quality or performance. This warranty does not extend to, and the buyer shall be solely responsible for, any and all loss or damage which results from the use of this product in any manner which is inconsistent with the label directions, warnings or cautions.

To the extent consistent with applicable law buyer’s exclusive remedy and manufacturer’s or seller’s exclusive liability for any and all claims, losses, damages, or injuries resulting from the use or handling of this product, whether or not based in contract, negligence, strict liability in tort or otherwise, shall be limited to the manufacturer’s option, to replacement of, or the repayment of the purchase price for, the quantity of product with respect to which damages are claimed. To the extent consistent with applicable law the manufacturer or seller shall not be liable for specific, indirect or consequential damages resulting from the use or handling of this product.

AMVAC offers this product, but Buyer accepts it, subject to the foregoing Limited Warranty which may be varied only by agreement in writing signed by an authorized representative of AMVAC.
