This product kills Staphylococcus aureus (Staph), Salmonella enterica (Salmonella), Pseudomonas aeruginosa (Pseudomonas), Campylobacter jejuni (Campylobacter), and Influenza Type A Virus & Influenza Type B Virus.

- Kills 99.9% of bacteria in 15 seconds!
- Kills common household bacteria

TO OPEN PACKAGE: Flip open lid. To start first wipe take the edge of wipe from long opening to the small dispensing opening and pull up. The next wipe will pop up automatically. Always close lid securely between uses to retain moisture.

Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

To Clean and Disinfect: Wipe surface with wipe. Let air dry. Discard used wipe in trash. Do not flush in toilet.

To Clean and Disinfect: Wipe hard, non-porous surfaces with wipe until surface is visibly wet. Use enough wipes to keep surfaces visibly wet for 4 minutes. Allow surface to remain wet for 4 minutes.

To Clean and Disinfect: If surfaces are extremely dirty, clean first with another wipe before disinfecting. Discard used wipe in trash.

Do not flush in toilet. Loose food contact surfaces with clean, potable water after disinfecting. Do not use for food contact surfaces, glassware or utensils.

Sanitizing: Sanitize hard, non-porous, non-food contact surfaces; wipe surface, using enough wipes to allow treated surface to remain wet for 15 seconds for Staphylococcus aureus (Staph) [ATCC 6538], Klebsiella pneumoniae (ATCC 4352), and Campylobacter jejuni (ATCC 29421). Let surface dry. For highly soiled surfaces, clean excess dirt first.
- For plastic and painted surfaces, spot test on an inconspicuous area before use.
- This product will not harm most surfaces: Including acrylic, sealed fiberglass and vinyl. Do not use on unpainted wood.
- Do not use as a diaper wipe or for personal cleansing. This is not a baby wipe! Do not flush in toilet.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor or going for treatment.

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children. Keep securely closed. Nonrefillable container. Do not reuse or refill this container. Discard empty container in trash or recycle if available.
