PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION
Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Harmful if inhaled. Avoid breathing spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove contaminated clothing and wash cloth before reuse.

FIRST AID
If on skin or clothing: • Take off contaminated clothing. • Rinse skin immediately with plenty of water for 15-20 minutes. • Call a poison control center or doctor for treatment advice. If in eyes: • Hold eye open and rinse slowly and gently with running water for 15-20 minutes. • Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. • Call a poison control center or doctor for treatment advice. If swallowed: • Immediately call a poison control center or doctor. • Do not induce vomiting unless told to do so by a poison control center or doctor. • Do not give any liquid to an unconscious person. If inhaled: • Move person to fresh air. If person is not breathing, call 911 or an ambulance in case of artificial respiration, preferably by mouth-to-mouth, if possible. • Call a poison control center or doctor for further treatment advice.

NOTE TO PHYSICIAN: May cause an aspiration pneumonia hazard. Contains petroleum distillates.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-255-3924 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS
This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Apply this product in calm weather when rain is not predicted for the next 24 hours will help ensure that wind or rain does not blow or wash pesticide off or into the treated area.

This product is highly toxic to bees exposed to direct treatment on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds while bees are actively visiting the treated area.

PHYSICAL OR CHEMICAL HAZARDS
 Contents under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. All outdoor applications must be limited to spots or crack and crevice treatments only, except for the following permitted uses: treatments to soil or vegetation around structures; and Applications to building foundations, up to a maximum height of 3 feet.

Other than applications to building foundations, all outdoor applications to impervious surfaces such as sidewalks, driveways, patios, porches and structural surfaces (such as windows, doors, and eaves) are limited to spot and crack and crevice applications only.

Do not allow adults, children or pets to enter the treated area until sprays have dried. Do not allow people or pets to enter treated areas until sprays, mists, and aerosols have dispersed, and the treated area has been thoroughly ventilated. Do not apply this product in a way that will contact adults, children, or pets, either directly or through drift. Remove pets, birds, and cover fish aquariums and ornamental fish ponds before spraying, and turn aquarium systems off in the home, cover all food processing surfaces and utensils during treatment or thoroughly wash utensils before use. Cover exposed food and remove utensils in serving areas. Do not water the treated area to the point of runoff. Do not make applications during rain. Do not apply when food is present.

For Control of Hornets, Wasps and Yellow Jackets: It is preferable to apply this product in the evening after all the insects have returned to the nest. Arm valve opening at the nest and depress button, continuing to spray until the nest is soaked within the spray. Repeat as necessary.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Do not store near heat or open flame. PESTICIDE DISPOSAL AND CONTAINER HANDLING:
Do not incinerate or puncture! IF EMPTY: Place in trash or offer for recycling if available. IF PARTICIALLY FILLED: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

CONTAINS (CAS#): Isopropyl Alcohol (67-63-0), Carbon Dioxide (124-38-9).

**Attics and other places where nests are built and where food or feed are not exposed.
