WASP & HORNET KILLER II

Heavy Weight Wasp & Hornet Killer can be used indoors (attics and other places where nests are built and where food or feed is not exposed) and outdoors on Wasp, Hornet, and Yellow Jacket nests.

DIRECTIONS FOR USE: In a well-ventilated area, apply the concentrate to the nesting area, allowing it to remain in place. Cover the area with a suitable insecticidal wetting agent such as NO-SOAP or a similar product.

VALUE SIZE

RAPID KNOCKDOWN & KILL
Jet spray reaches nests more than 7 feet above ground.

KEEP OUT OF REACH OF CHILDREN
CAUTION: See Directions for Use and Material Safety Data Sheet for complete safety instructions.
