INSECT REPELLENT

40% DEET

SPORTSMEN

Repels mosquitoes, chiggers, ticks, black flies, and fleas

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

Hold container 8 to 12 inches from skin or clothing while spraying with a slow sweeping motion. Do not spray on encrusted areas. For maximum protection, spread evenly over hairless skin and exposed skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then rub it on the child. Do not apply over cuts, wounds or irritated skin. Do not spray directly on face; if used on the face, spray on hands first and then apply sparingly and avoid eyes. Wipe palms after applying. Avoid applying to clothing, spray shirts, pants, socks and hats. For chiggers and ticks, also spray pant cuffs, socks and inside opening in other clothing. Use just enough repellent to cover exposed skin and clothing. Do not use under clothing. Avoid over application of this product as frequent reaplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again. Will not damage cotton, wool or nylon. Do not apply on or near acetone, epoxy, sparvar and other synthetics (other than nylon), furniture, plastics, vinyl, or any painted or varnished surfaces including automobiles.

STORAGE AND DISPOSAL

Store: Store in a cool, dry area inaccessible to children and away from heat and open flame. Disposal: Do Not Perforate or incinerate. Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS: WARNING: Harmful if swallowed. May cause eye injury. Avoid contact with eyes and lips. May cause skin reaction in rare cases. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID: Eye Spills: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If you suspect a reaction to this product (debilitating use). Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. For additional information in case of emergency, call the National Poison Information Center at 1-800-222-1222.

Note to physician: Probable mucosal damage may contraindicate the use of gastric lavage.

PHYSICAL OR CHEMICAL HAZARDS: FLAMMABLE. Contents under pressure. Keep away from heat, sparks or open flame. Do not puncture or incinerate container. Exposures to temperatures above 120°F may cause bursting.
