Pet Balance® Triple Guard Yard for Fleas, Ticks & Mosquitoes contains Permethrin, a long-lasting insecticide that provides contact and residual control of many hard-to-kill sucking and chewing insects for up to 4 weeks.

- Kills pests, flea, deer tick, brown dog tick, and other chewing insects
- Kills eggs, larvae, adults, and nympha stages

SHAKE WELL BEFORE USE
READ ENTIRE LABEL BEFORE EACH USE

FIRST AID

IF ON SKIN OR CLOTHING:
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

IF SWALLOWED:
- Immediately call a poison control center or doctor.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Do not give any liquid to the person.
- Do not give anything by mouth to a unconscious person.

Now the product container or label with you when calling a poison control center or doctor, or going for treatment. For information regarding medical emergencies or pesticide incidents, call 1-800-742-8712.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION
Inhalation: Avoid breathing the airborne spray mist. Avoid prolonged or repeated inhalation of mist. Do not inhale the product directly or allow direct exposure to the skin or eyes. Wear protective clothing and wash hands thoroughly after handling the product. Do not allow children to play in areas treated.

Ingestion: Avoid swallowing the product. Avoid contact with the eyes. Wash off any product contact with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove and wash contaminated clothing before reuse.

TOXICITY: HAZARDS
This product is extremely toxic to aquatic organisms, including fish and invertebrates. To protect the environment, do not allow pesticide to enter surface waters, drainage ditches, ditches or other waterways. Applying the product in other weather when wind is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treated area. Running application equipment over the treated area will help coat areas off to water bodies or drainage systems. This product is highly toxic to bees exposed to treated vegetation. Do not apply this product or allow it to drift to blooming crops as a storm or bees are foraging. Do not allow treated areas to be cropped with bees for 3 days after treatment.

PREPARE TO USE
Do not apply to plants treated with a similar product or due to possible toxic hazard.
### PRODUCT FACTS

<table>
<thead>
<tr>
<th>KILS INSECTS</th>
<th>WHERE TO USE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Lawn pests, ants, centipedes, brown dog ticks, chinch bugs, crickets, cockroaches, deer ticks, flies, ground beetles, ladybugs, mealworms, millipedes, mosquitoes, red ant larvae, and other blind pests.</td>
<td>On lawns, trees and shrubs, roses and flowers and ornamental surfaces of buildings.</td>
</tr>
</tbody>
</table>

<th>PESTS</th>
<th>HOW TO USE</th>
</tr>
</thead>
<tbody>
<tr>
<td>Outside surfaces of buildings</td>
<td>Ants, Bedbugs, Bugs, Clover mites, Cockroaches, Earwigs, Millipedes, Sawdust (spillage)</td>
<td>To help prevent infestation of buildings, near the building foundation to a height of 3 to 5 feet, where pests are active and may be encountered. Also, apply as arochlor spray to exterior surfaces of buildings, including window frames, screens, doors, garden ornaments, and other places where there are pests or areas where they may enter. A second spray 2 to 3 feet from surface to be treated. Spay thoroughly treats the surface. To maintain effectiveness, apply as indicated occurs.</td>
</tr>
<tr>
<td>Other outside areas</td>
<td>Ants, Cockroaches, Earwigs, Fleas, Spiders, flies (small to large), Lice, Lawn grubs</td>
<td>For treatment of infestation of these insects in areas where there are weeds, shrubs or bushes near the area, spray diligently above the area. Also treat any area around baseboards and walls, where pests are active or may enter. Repeat as necessary, applications as infestations occur.</td>
</tr>
<tr>
<td>Rainwater Bugs, Cluster Flies, Flying termites, Flies, Hornet's Nest, Wasps, Ants</td>
<td>For use only as an aid in reducing annoyance from these insects. Spray a wide swath of area, around window frames or wherever these insects may enter the area. Also treat surfaces around light fixtures or pipes, under eaves, hanging in garage and other places where these insects are likely to congregate. Repeat as necessary, applications as infestations occur.</td>
<td></td>
</tr>
<tr>
<td>Tent caterpillars</td>
<td>Application should be made when caterpillars are young and tent is first noticed. For best results, apply in the late afternoon or evening, when caterpillars have returned to their tents. Tent tents with spray on all sides. A few caterpillars may be seen escaping from the tent. However, they should die within several hours.</td>
<td></td>

USE ON ROSES & FLOWERS

TREES/SHRUBS: 
Ageratum, ase, Ateil, Begonia, Celosia, Cineraria, 
Dianthus, Euphorbia, Guisante, Helichrysum, Hydrangea, 
Ivy Viburnum, Jatropha, Jericho, Lavatera, 
Lavender, Lantana, Liatris, Olearia, Pellucida, 
Perilla, Phlox, Pincushion, Pride of India, 
Punica, Pyrethrum, Rose, 
Rudolphia, Sisal, 
Salpiglossis, Zinnia, 

PESTS: 
 Aphids, Bagworms, occupy, Looper, Sawfly, 
Thrips, Scale, Spiders, Stink Bugs, 
Whitefly, Whitefly, 

HOW TO USE: 
Apply as a thorough spray, wetting the plants 
throughout, but do not let runoff occur. 
Try to keep 
composed of 50% cold water and 50% cold water. 
Spray in the late afternoon or evening, when the temperature 
remains at 50 to 75 degrees. 
Spray at the first sign of insects, to maintain 
effectiveness, spray at 2-4 week intervals. 

STORAGE AND DISPOSAL

Do not store where children can access.

PHYSICIDE STORAGE

Store in a cool, dry area, protected from sunlight or frost. 
Store out of reach of children. Store with appropriate safety 
labeling. 

PHYSICIDE DISPOSAL AND CONSUMER HANDLING

Remove all labels. Do not remove or refill this container. 
If empty, pour into a trash can or agricultural use. 
Ask if recycling is available. 

Manufactured for:

Talus
800-10th Street, Suite 100
Mail: 80-14
Fax: 1-724-691-1609
EPA: 100-00701
