**BROADLEAF WEED & MOSS KILLER READY TO SPRAY**

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

**FIRST AID**
- If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- If on skin: Wash with soap and water.
- If swallowed: Do not induce vomiting. Call a poison control center or doctor for treatment advice.

 Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For medical emergency information, you may call toll free 1-800-285-9571.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Causes slight eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Prolonged or frequent repeated skin contact may cause allergic reactions in sensitive individuals.

**ENVIRONMENTAL HAZARDS**

To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Rinsing application equipment over the treated area will help avoid run off to water bodies or drainage systems.
