DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL BEFORE USING

CIDETRAK® CMDA COMBO™ PP disrupts the mating communication between adult male and female moths, reduces fertile egg laying, suppresses subsequent larval infestation, and reduces the need for applying insecticides.

For maximum effectiveness, growers should remove and destroy infested fruit from trees and the ground. Growers should maintain accurate records of CM adult population monitoring and larval damage within their orchards. Consult your local extension specialist, certified crop advisor, or Trece representative for assistance in designing the best CIDETRAK® CMDA COMBO™ PP program for your orchard.

Crop
Apple, Pear, Walnut, Pecan, Quince, and other pome fruits

Targeted Pest
Codling Moth (Cydia pomonella), Hickory Shuckworm (Cydia caryana).

Rate
CIDETRAK® CMDA COMBO™ PP: Minimum of 200 dispensers per acre (500 dispensers per hectare) or 18 gm CM a.i. and 12 gm DA a.i. per acre application. Maximum of 400 dispensers per acre (1,000 dispensers per hectare) or 36 gm CM a.i. and 24 gm DA a.i. per acre application. Apply 220 dispensers per acre (600 dispensers per hectare) for moderate populations. Apply the maximum dispenser rate to all orchard borders, to orchards that are heavily infested with CM, or adjacent to an untreated orchard. Do not exceed 150 gm combined a.i. per acre per year.

Application
Attach dispensers securely to lateral branches at 5-10% of the distance between the trunk and branch terminal in the upper 1/3rd of the canopy. Attach the dispensers from the ground using a pole applicator or from a moving trailer.

Timing
Apply prior to moth emergence in early spring. Monitor moth activity using representative for assistance in designing the best CIDETRAK® CMDA COMBO™ PP program for your orchard.

WARRANTY AND LIMITATION OF DAMAGES

All statements concerning the use of this product apply only when used as directed as stated on this product label. To the extent consistent with applicable law, Trece Inc. warrants that the product conforms to this label and under normal conditions of use according to this label, is reasonably fit for the stated label purpose. To the extent consistent with applicable law, the manufacturer makes no express or implied warranties of merchantability or fitness for a particular purpose concerning this product, or its use, extending beyond the label. Under no circumstance will Trece Inc. be liable for damage (special, consequential or incidental) that result from the handling, storage, or use of this product which is not in compliance with the label. Read all label directions carefully.

Buyer’s exclusive remedy, should this product be defective, is replacement of the product, or if this is impracticable, a purchase price refund.

STORAGE AND DISPOSAL

Do not contaminate food or feed by storage or disposal of unused or used dispensers.

PESTICIDE STORAGE: Store unopened original package in a dry location at temperature below 40° F. To avoid contamination of food or feed items, only unopened product packages may be stored in cold storage facilities that are used for food storage.

PESTICIDE DISPOSAL: Product wastes resulting from use of this product may be disposed of on use site or at an approved waste disposal facility.

CONTAINER DISPOSAL: Offer for recycling, if available. Dispose of empty dispensers and foil envelopes in the trash.
