Directions for Use

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

This product kills 99.9% of Staphylococcus aureus (S. aureus) and Klebsiella pneumoniae (K. pneumoniae) on hard, non-porous surfaces in 5 seconds.

This product contains 25% hypochlorite solution and kills 99.9% of most germs for 5 seconds in a single spray.

For use in kitchen, countertops, food preparation areas, refrigerator, sinks and appliances.

In popular areas: use on cabinets, countertops, sink, garbage, microwave, refrigerator, sink and appliances.

In bathrooms: use on basins, toilets, countertops, garbage cans, plastic shower curtains, showers, tiled walls, toilet seats, and exterior surfaces.

In public areas: use on benches, poles, countertops, garbage cans, and exterior areas and voluteers.

For use on chairs, countertops, doors, desks, sliding wardrobes, drawers, toilets, sinks, toilet bowls, exercise equipment, heater, handles, filing cabinets, garbage cans, and exterior areas.

Soft surfaces: use on backpacks, bathroom mats, trophies, carpet, clothing, curtains, fabric surfaces, laundry bags, mattress covers, mops, net curtains, towels, sponges, toothbrushes, and upholstery.

Application Instructions

SHAKE WELL BEFORE AND DURING USE.

Spray a thorough, clean surface or object with the spray before application of the product. Remove any dirt and heavy soil deposits.

Suitable for use on surfaces except polished wood or acrylic plastic.

To Sanitize: Spray 6-10 inches from clean surfaces for 3-4 seconds or until surface is thoroughly wet. Allow spray to contact treated surfaces for a minimum of 5 seconds prior to wiping.

To Sanitize Soft Surfaces: Spray until fabric is wet. Do Not Submerge. Fabric must remain wet for 5 seconds. Let air dry. For difficult odors, repeat application. For spot treatment only.

For Mold and Mildew: Clean surface then spray surface until thoroughly wet. Repeat weekly.

This product is not for use on medical devices or medical equipment surfaces.

This product is for use on clean, hard, non-porous environmental surfaces in suitable product processing areas, non-processing areas and/or exterior areas. This product must not result in the direct or indirect contamination of food products. Do not use to mask odors resulting from unsanitary conditions.

Precautionary Statements

Hazard to Humans and Domestic Animals. Caution: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

If in eyes: Hold eye open and clean slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Physical or Chemical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting.

Storage and Disposal

Do not contaminate water, food or feed by storage or disposal.

Store at temperatures below 120°F. Keep away from heat or open flame. Non-refillable container. Do not reuse or refill this container. Replace cap and discard container in trash. Do not incinerate or burn.

100% satisfaction guaranteed or your money back.
