Directions for use

To Sanitize: Spray 2–4 inches from clean surface for 2–4 seconds or until surface is thoroughly wet. Allow spray to contact treated surfaces for a minimum of 10 minutes prior to wiping.

To Sanitize Soft Surfaces: Spray up to fabric is wet. Do not saturate. Fabric must remain wet for 30 seconds. Let air dry. For difficult odors, repeat application. For spot treatment only.

For Mold and Mildew: Clean surface then spray surface until thoroughly wet. Repeat weekly.
