TOTAL: 100.0%

EPA Reg. No. 499-548
EPA Est. No. 7969-M0-1

KEEP OUT OF REACH OF CHILDREN

CAUTION

USE RESTRICTIONS
- Apply this product only as specified on this label.
- DO NOT compost any discarded plant materials that have been treated with this product.
- DO NOT make outdoor applications during rain.
- DO NOT repeatly treat areas more than 1x every 4 weeks.
- DO NOT allow adults, children or pets to enter until vapors, mists and/or aerosols have dispersed and the treated area has been thoroughly ventilated.
- DO NOT contact treated surfaces until dry.

USE CONDITIONS
- When used in schools, DO NOT apply to classrooms while in use. Allow treated areas to dry thoroughly before reoccupying.
- When used in residential areas, DO NOT use near running water. When used in hospitals and nursing homes, allow patients before treating rooms. Allow treated areas to dry thoroughly before returning patients to rooms.

APPLICATIONS
- When used in the home, remove or cover exposed food and drinking water, in the treatment area, before application. Remove or cover dishes, utensils, food processing equipment and food preparation surfaces, in the treatment area, or wash them before use. DO NOT use in serving areas while food is exposed.
- Applications in food areas of food handling establishments are limited to spot and/or crack and crevice treatments. DO NOT make applications when facility is in operation. Avoid contamination of foodstuffs. DO NOT apply directly to food, food packaging or food contact surfaces. During application, cover or remove food, and cover food processing surfaces and equipment, or position food, prior to use. DO NOT use in serving areas while food is exposed or facility is in operation.
- Except when applying to sewers or drains as instructed on this label, DO NOT apply directly to sewers or drains or to pipes and sinks where drainage to storm sewers, water bodies, or aquatic habitat can occur.
- When used in zoos, remove animals and cover or remove animal food/water prior to application.
- DO NOT use in schools, hen used in schools, remove animals and cover or remove animal food/water prior to application.
- Remove pets and cover or remove pet food/water and fish bowls prior to application.

CRACK & CREVICE TREATMENT
- Use with the supplied actuator and injection tubes. Inject into cracks and crevices or void spaces where insects may be harboring, living and breeding. Place injectors near or at locations where insects may be harboring or where water is associated with insect harborage. Block injection openings using low density foam or other acceptable materials.

INDOOR TREATMENTS
- CRAWLING PESTS (including Centipedes, Cockroaches, Crickets, Dermentids, Earwigs, and Spiders (including Brown Recluse)): Apply as a Crack & Crevice treatment using the prescribed amount into cracks, crevices and voids where pests may be harboring, living and breeding. Place injectors near or at locations where insects may be harboring or where water is associated with insect harborage. Block injection openings using low density foam or other acceptable materials.
-ANTS (including foraging Fire, Harvester and Phantom): Apply as a Crack & Crevice treatment into cracks, crevices and voids where ants may be harboring, living and breeding. Place injectors near or at locations where insects may be harboring or where water is associated with insect harborage. Block injection openings using low density foam or other acceptable materials.

FOOD HANDLING ESTABLISHMENTS
- Food handling establishments are places other than private residences in which food is held, processed, prepared or served.

FOOD AREAS: Includes areas for receiving, storage, packing (canning, bottling, wrapping, boxing), preparing, edible waste storage and enclosed

CONDITIONS OF SALE AND WARRANTY
- FOLLOW THE DIRECTIONS FOR USE. IT IS IMPORTANT TO ELIMINATE ALL RISKS ASSOCIATED WITH USE OF THIS PRODUCT, AND THEREFORE ALL RISK SHALL BE ASSUMED BY THE BUYER. BASF WARRANTS THAT THIS PRODUCT CONFORMS TO THE CHEMICAL DESCRIPTION ON THE LABEL AND IS REASONABLY FIT FOR THE PURPOSES REFERRED TO IN THE DIRECTIONS FOR USE, SUBJECT TO THE INHERENT RISKS AND LIMITATIONS OF USE.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
- APPlicators AND OTHER HANDLERS MUST WEAR: baseline PPE consisting of long-sleeved shirt, long pants and shoes plus socks.

USER SAFETY REQUIREMENTS
- Follow manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry. Remove and wash contaminated clothing before reuse.

USER SAFETY RECOMMENDATIONS
- Wash hands thoroughly after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove contaminated clothing/PPE immediately if pesticide gets inside, then wash thoroughly and put on clean clothing.
- Remove PPE immediately after handling this product. As soon as possible, wash thoroughly and change into clean clothing.

ENVIRONMENTAL HAZARDS
- This pesticide is toxic to aquatic organisms, birds and wildlife. DO NOT apply directly to water or to areas where surface water is present or intertidal areas below the mean high water mark.

PHYSICAL OR CHEMICAL HAZARDS
- Flammable. Contents under pressure. Keep away from heat, sparks and open flame. DO NOT puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. DO NOT spray directly into any electronic equipment such as radios, televisions, computers, etc. Due to the possibility of short circuits or shock hazard. Test on a small surface prior to use, as spray may mar plastic, painted or varnished surfaces.

DIRECTIONS FOR USE
- IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

See side panel(s) for additional Directions for Use and Storage and Disposal.
