KEEP OUT OF REACH OF CHILDREN

CAUTION
See inside booklet for Precautionary Statements, Directions for Use and Storage and Disposal.

NET WEIGHT: 3 oz

BASF Corporation
26 Davis Drive, Research Triangle Park, NC 27709
**PRECAUTIONARY STATEMENTS**

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

Applications and other tasks must be done in a well-ventilated area, long-sleeved shirt, long pants, socks and shoes. Follow manufacturer’s instructions for choosing materials. If such restrictions for washables exist, use manufacturer’s instructions for cleaning/maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

**PLANT SAFETY INFORMATION**

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the Directions for Use on this label very carefully. This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the Directions for Use on this label very carefully.

**STORAGE AND DISPOSAL**

DO NOT contaminate water, food or feed by storage or disposal.

PESTICIDE STORIZE: Store in a cool area away from heat or open flame.

PESTICIDE DISPOSAL: Resulting from use of this product may be disposed of in soil at an authorized landfill.

CONTAINER EXPOSURE: Store in a cool area away from heat or open flame.

Place in trash or offer for recycling, if available.

**WASTE resulting from use of this product may be disposed of on site or at an authorized landfill.**

**PLANT SAFETY INFORMATION**

This product has been tested on a wide variety of plants and in our opinion has demonstrated excellent plant safety; however, not all varieties or strains of the plants listed have been tested. Staining/bleaching, rust or damage may result on some plant materials.

This product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the Directions for Use on this label very carefully.
