**Outdoor Treatments**

Precautionary Statements

**Hazards to Humans and Domestic Animals**

CAUTION: Harmful if swallowed or absorbed through skin. Avoid contact with eyes, skin, clothing, and equipment, and food preparation surfaces in the treatment area before washing. Avoid breathing dust and fumes. Wash thoroughly and change into clean clothing.

**Environmental Hazards**

This product is toxic to aquatic organisms, including fish. Use according to directions to prevent hazardous to aquatic organisms in water adjacent to treated areas. This product may contaminate water through run-off or discharges of treated materials. Contact your Regional Pesticide or Environmental Control Agency, or the nearest EPA Regional Office for guidance.

**Directions For Use**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**Use Restrictions**

• DO NOT treat areas that are below 130° F.
• DO NOT treat areas where temperature is above 130° F.
• DO NOT apply this product in a way that will contact workers or other persons, either directly or through spray drift.
• DO NOT apply pesticide mixture to plants or foliage.
• DO NOT apply pesticides to plants in flowerpots or similar containers.

**Disclaimer**

The information contained herein is intended for licensed applicators. If you have any questions, please contact your local poison control center or BASF for more information.

**BASF Corporation**

26 Davis Drive

Product of U.S.A.

**In Case of Emergency**

In case of medical emergency regarding this product, call day or night 1-800-832-HELP (4357).

• In case of large-scale spill of this product, call: Your local poison control center (hospital), Pesticide or Environmental Control Agency, or the nearest EPA Regional Office for guidance.

**Container Disposal**

DO NOT incinerate or burn. IF Empty: Place in trash or offer for recycling if available. IF particulary filled, call your local solid waste disposal agency for instructions.

**Storage and Disposal**

DO NOT contaminate water, food, or sewers by disposal. Storage: Pesticide Storage.

**Pesticide Storage**

Storage of this product away from heat, sparks, and open flame. DO NOT puncture or incinerate containers. Exceeding treated surfaces above 130° F may cause burning. DO NOT use this product in an area that is inaccessible to children and animals.
The Directions For Use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and must be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as environmental conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of BASF CORPORATION (“BASF”) or the Seller. To the extent consistent with applicable law, all such risks shall be assumed by the Buyer. BASF warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions For Use, subject to the inherent risks referred to above. TO THE EXTENT CONSISTENT WITH APPLICABLE LAW: (A) BASF MAKES NO OTHER WARRANTIES EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF FITNESS FOR PARTICULAR PURPOSE OR MERCHANTABILITY, (B) BUYER’S EXCLUSIVE REMEDY AND BASF’S AND SELLER’S EXCLUSIVE LIABILITY, WHETHER IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, SHALL BE LIMITED TO REPAYMENT OF THE PURCHASE PRICE OF THE PRODUCT, AND (C) BASF AND THE SELLER DISCLAIM ANY LIABILITY FOR CONSEQUENTIAL, INCIDENTAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. BASF and the Seller offer this product, and the Buyer and User accept it, subject to these Conditions of Sale and Warranty which may be varied only by agreement in writing signed by a duly authorized representative of BASF.

Contains no CFCs or other ozone depleting substances. Federal regulations prohibit CFC propellants in aerosols.
