WARNING

FIRST AID STATEMENT

- IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call poison control center or doctor for treatment advice.
- IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
- IF ON SKIN OR ON CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.
- IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance. Then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

NET CONTENTS: 55 Gallons

DIRECTIONS FOR USE: It is a violation of federal law to use this product in a manner inconsistent with its labeling.

"For formulation of antimicrobial products for use in or on commercial, industrial, Institutional, medical and residential premises and equipment"

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

Pesticide Storage: Always store pesticide in original container only. When not in use, keep container in safe storage area separate from water, food, feed, and other pesticides. Avoid exposure to extreme temperature conditions and do not pour, spill, or store near heat or open flame.

Pesticide Disposal: Pine oil that cannot be used should be disposed of in a land field approved for pesticides away from water supplies. Consult Federal, State or Local disposal authorities for approval alternative procedures.

Container Handling: Non-refillable container. Do not reuse or refill this container. Triple rinse (or equivalent). Then offer for recycling if available or reconditioning if appropriate or puncture and dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

NOTICE: Formulators of Germicides must obtain their own registration from the Environmental Protection Agency (EPA) and develop the data specific for the proposed product. This product cannot be used in formulations of products used on food crops.

FOR INDUSTRIAL USE ONLY

No warranties are made either expressed or implied for this product or its use other than that which is indicated on the label and data sheet 101.1
