KEEP OUT OF REACH OF CHILDREN

CAUTION

• PetLock™ Plus For Dogs provides convenient and effective flea, tick and chewing lice control for dogs and puppies.
• Prevents all flea stages (eggs, larvae, pupae) from developing.
• Aids in control of sarcoptic mange mite infestations.
• Remains effective after bathing and swimming.
• Easy, fast, effective control of fleas, ticks and lice.
• Best results when used monthly.
• Kills newly emerged fleas before they lay eggs.
• Controls flea re-infestation for up to three months.

FIRST AID

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

HOTLINE NUMBER: Have the product container or label with you when calling a poison control center, doctor or going for treatment. You may contact us at 1-855-844-4375 for emergency medical treatment information.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

HAZARDS TO HUMANS

CAUTION. Harmful if swallowed. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

HAZARDS TO DOMESTIC ANIMALS

For external use only. FOR USE ON DOGS AND PUPPIES ONLY. Do not use on puppies under 6 pounds or on puppies under 8 weeks of age. DO NOT USE ON CATS OR OTHER ANIMALS. Keep cats away from treated dogs for 24 hours. If applied to a cat or ingested by a cat, contact your veterinarian. Individual sensitivities, while rare, may occur after using ANY pesticide product. Dogs may experience some temporary irritation at the site of product application. If signs persist, or become more severe within a few days of application, consult a veterinarian. If your dog has an unusual reaction to the initial application, consult a veterinarian before repeating treatment. Certain medications can interact with pesticides. Consult a veterinarian before using on medicated, debilitated or aged dogs. Call 1-855-844-4375 for 24-hour assistance.

SIDE EFFECTS

Monitor your dog after application. Side effects may include skin irritation such as redness, scratching or other signs of discomfort. Gastrointestinal signs such as vomiting or diarrhea have also been reported. If these or other side effects occur, consult your veterinarian or us at 1-855-844-4375.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Do not allow children to apply product. To prevent harm to you and your dog, read the entire label and package insert before each use. Follow all directions and precautionary statements carefully. Use on dogs only. Do not use on rabbits or other animals.

Precaución al consumidor: Si usted no puede leer inglés, no use este producto hasta que le explican lo que debe aplicar a su perro de manera correcta. (To the user: If you cannot speak English, do not use this product until the label has been fully explained to you).

Do not allow your dog to ingest this product. Do not apply to dogs weighing less than 6 pounds.

PetLock™ Plus For Dogs contains the active ingredients fipronil and (S)-methoprene that effectively target fleas, ticks, and chewing lice. PetLock™ Plus For Dogs is fast acting, long-lasting, waterproof, and easy to use. PetLock™ Plus For Dogs remains effective even after bathing, water immersion, or exposure to sunlight. PetLock™ Plus For Dogs can also be used on breeding, pregnant, and lactating bitches.
To kill adult fleas, flea eggs and larvae, chewing lice, all stages of Brown dog ticks, American dog ticks, Lone Star ticks and Deer ticks (which may carry Lyme disease), and to aid in control of sarcoptic mange mites, apply this product ONLY to dogs and puppies (8 weeks or older) as follows.

TO REMOVE AND OPEN APPLICATOR:

1. Cut along scissor cut line to separate unit

2. Turn unit over and cut corner of bulb end

3. From cut corner, peel backing completely off from bottom to top

4. Remove the applicator

TO APPLY PETLOCK™ PLUS FOR DOGS: Place applicator tip through dog's hair to the skin level between the shoulder blades. Squeeze applicator, applying entire contents in a single spot on the dog's skin. Avoid superficial application to the dog's hair. Allow area to dry before touching treated area. Only one applicator per treatment is needed.

FREQUENCY OF APPLICATION

Fleas: When used monthly, Petlock™ Plus for Dogs breaks the flea life cycle and controls fleas, flea eggs, and flea larvae for up to three months. Although Petlock™ Plus for Dogs can control fleas for up to three months, if there is a high risk of re-infestation or if the dog has fleas which may cause flea allergy dermatitis, apply this product once a month.

Chewing Lice: Petlock™ Plus for Dogs kills chewing lice for at least one month. For best control of chewing lice, apply once every month.

Sarcoptic Mites: Applied once a month, Petlock™ Plus for Dogs aids in the control of sarcoptic mange mite infestations.

For best control of ticks, apply once every month.

Ticks: Petlock™ Plus for Dogs kills larva, nymph and adult ticks that may transmit Lyme disease, Rocky Mountain Spotted Fever, ehrlichiosis, anaplasmosis, and tularemia for at least one month.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE STORAGE. Store unused product in original container only, out of reach of children and animals.

PESTICIDE DISPOSAL. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available.

WARRANTY

To the extent consistent with applicable law, Tuftex, LLC and/or seller makes no warranty, expressed or implied, concerning the use of this product other than indicated on the label. Buyer assumes all risk of use resulting from the handling of this product. Seller shall return the purchase price or at the election of the seller replace the product.
