Now it's Easy for You to Have a Better Lawn

Start anytime
You can begin the recommended Annual Program anytime of the year. Just check the months and when the appropriate STEP® product(s) are
Simple and easy
For more guidance, the simple step by step process - see STEP® II in a few.
Guaranteed results
Each STEP® product is designed to do just the specific thing to help you get a better lawn.
Florida Annual Fertilizer Applications
Florida double-wide 6 annual feedings with the following essential trace elements. We do not exceed 2 feedings in the early spring and fall. By feeding the lawn in the middle and mid-summer and fall we do not exceed 2 feedings in the entire year. 
North Florida is defined as north to the Panhandle extending from Eustis to Madison. East Florida is defined as south of the Panhandle extending from Eustis to Daytona Beach. All lawns extending from towns in West Florida extend from a point north of the state.

SPREADER SETTINGS
Step 2 - Broadcast/Rotary Spreaders. Then apply product in longest direction of lawn. For best results, use a Scotts® spreader. Covers 5,000 sq ft. This package applies 2.8 lb of product per 1,000 sq ft

Scotts® Broadcast Rotary Spreaders 3/2
For additional spreader instructions, please call 1-888-643-TURF (8683)

EPA Reg No. 538-282 (5m)  
Scotts Step 2 Weed Control Plus Lawn Food 2

Well-fed lawns are more efficient at using available water.
Feeding with Scotts® lawn food helps grow a thick lawn with more roots to better absorb water and nutrients than an unfed lawn. This helps protect your lawn against heat, drought and other stresses.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

WATERING OR RAIN
• Do not water or mow lawn for at least 24 hours after application. Formulations must remain on weed leaves for 24 hours to be effective.
• Do not water if label expects within the next 24 hours.

IMPORTANT
WHAT TO EXPECT
• Weed stems and leaves will begin to twist and curl in a few days, but a month or more may be required for control.
• This product will provide weed control in weed species present at the time of application. It will not control emerging weed seedlings or new growth from existing seedlings or rhizomes.

SEEDING/SEEDING/SPRIGGINGS
• Wait until the new growth has been moved at least four times before applying STEP 2 Weed Control Plus Lawn Food.
• If you are planning to seed, sod or cover, you should wait at least one month after you have applied STEP 2 Weed Control Plus Lawn Food.

STORAGE AND DISPOSAL
PESTICIDE STORAGE: Store in a dry place. Reopen opened bag by folding top down and securing. Store in original container in a secure area away from children and pets.
PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container. If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never pour unused product down any indoor or outdoor drain.

**SCOTTS NO-QUIBBLE GUARANTEE**
