**GROUP 28 INSECTICIDE**

**Not for sale, sale into, distribution and/or use in Nassau, Suffolk, Kings, Queens Counties of New York State.**

---

**Agricultural Use Requirements**

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR part 170. The manufacturer makes no recommendations for the protection of agricultural workers on or near farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains restrictions for training, transport, handling, disinfection, and emergency assistance. The label also contains specific instructions and precautionary statements on the label about personal protective equipment, restricted-entry interval, and restrictions to workers (as applicable). Do not apply this product in a way that will cause it to enter or drift onto other properties, either directly or through drift. Properly protected handlers may be in the area during application.

**Personal Protective Equipment**

- Long-sleeved shirt and long pants
- Gloves

This product may be applied for the control of white grubs and other listed pests infesting landscape and ornamental turfgrasses, golf courses, landscapes and ornamental and industrial areas.
