**EPA REGISTRATION No.:** 10765-0221-01, 0221-MO-01

**Catalog No.** 61030160537

**ACTIVE INGREDIENTS:**

- Copper Sulfate

**OTHER INGREDIENTS:**

- *.................................91.55%

**DIRECTIONS FOR USE**

**TERRARIUM AND SMALL ANIMAL CAGE AND CAGE FURNITURE DISINFECTION:**

Animals frequently defecate on rocks and other hard, non-porous cage furniture items inside your terrarium. This can result in high bacteria and ammonia levels that can lead to possible respiratory and gastrointestinal problems for your animals.

- Add 1 oz. of this product per gal. of water and apply to hard, non-porous surfaces. Allow surface to remain wet for 10 minutes. Wipe dry. Rinse surfaces that come in contact with food with potable water before reuse.

**ANIMAL PREMISES:**

**Net contents:** 3.78 L (1 gal)

**Storage and Disposal:**

- Keep container closed.
- Store in cool, dry place.

**FIRST AID**

If swallowed contact a doctor immediately.

In case of eye injury, flush with water for 15 minutes. Remove the product container or tank with your garden sprayer and mix 1 oz of this product per gal. of water (660 ppm active) for effectiveness against designated animal viruses on the label. 

- **Reptiles:**
  - Keep away from reptiles. 
  - Dilute 1 oz of this product per gal. of water (660 ppm active) for effectiveness against designated animal viruses on the label.

**WARNING**

This product contains no fragrances.

- **Saturate gravel as above and let stand for 10 minutes. Place in bucket of clean water and swirl for 15-30 seconds.**

**PRECAUTIONARY STATEMENTS:**

**KEEP OUT OF REACH OF CHILDREN**

Note:

- Take steps to neutralize remaining mold growth.
- Rinse all mold contaminated equipment with a solution of 4 oz. of this product per gal. of water (660 ppm active) for effectiveness against designated animal viruses on the label.

**DISPOSAL**

- BDS: Assist, FDA, CDC, or other appropriate government agency.
- BDS: Call a doctor or see a veterinarian.
- BDS: Use the product as directed on the label. For any questions, contact your local pesticide control district or state agricultural extension agency.

**STATEMENT OF COMPLIANCE**

- **This product** contains no fragrances.

**PESTICIDE STORAGE:**

- Store in a cool, dry place.

**USE RESTRICTIONS AND CONVICTIONS:**

- Do not apply this product directly onto the reptile. If this product comes into contact with the reptile's skin, then immediately wash the material off of the animal with lukewarm water. If the reptile ingests this product, contact your veterinarian immediately.

- Do not use this product around children or pets.

**SAFETY PRECAUTIONS:**

- Use this product only as directed on the label.

**REFERENCES:**

- See side panel of label for additional precautionary statements.

**STORAGE AND DISPOSAL**

- Store in a cool, dry place.
