DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not transfer to another container. SHAKE WELL BEFORE USING. General Instructions: To Repel & Kill mosquitoes, chiggers, ticks and lice, including ticks which carry Lyme Disease and Rocky Mountain Spotted Fever. This product must not be applied to clothing while it is being worn. Under no circumstances should bare skin or clothing on the body be treated. Do not spray directly on or otherwise allow to come in contact with skin, face, or eyes. This product is to be used as a clothing treatment only. In case of accidental spraying of skin, face or eyes, see “First Aid” on back panel. Make all applications outdoors. Do not exceed recommended spraying times. In heavy infested areas, protection from ticks will be improved by the wearing of the cuffs inside the clothing, or by pinning cuffs according, Protection from mosquitoes can be further enhanced by applying an EPA approved repellent to head, hands and other exposed areas of the body. Initial Treatment Instructions: Activate pump for 5 to 10 times to spray. Completely remove pump top, see just enough repellent to cover clothing, recharging pump as needed. For week protection against ticks, chiggers, and mosquitoes, select most infested areas protected from the wind, spray outer surfaces of clothing (while not being worn) with a slow sweeping motion to lightly moisten the surface of the fabric; holding pump 15 to 20 inches. A complete cycle consists of shirt, trousers, and socks. Treat outer surfaces of each outfit, front and back, for 30 seconds on each side and allow to dry for at least 3 hours, 4 hours under humid conditions. Pay particular attention to socks, trouser cuffs, and belt. One pump bottle will treat one complete outfit. Re-Treatment Instructions: This product contains an active ingredient, which actually coats to the fabric being treated, providing residual protection, which lasts a minimum of six weeks, and holds up through several machine washings. Follow standard laundering procedures. Clothing should be renewed after six weeks or after the scent has been worn. Maintain adequate protection. Do not retreat more than once every six weeks. Further instructions for initial treatment. Direct dry clean.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place inaccessible to children. DISPOSAL: Non-refillable container. Do not reuse or refill this container. If SPILLED: Place in trash or offer for recycling if available. IF PARTLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
