Chempro S-820
Nonionic Surfactant

Principle Functioning Agents:
- Alcohol Ethoxylate and Alkyl Phenol Ethoxylate .................................................. 80%
- Constituents Ineffective as a Spray Adjuvant ......................................................... 20%
- Total .......................................................................................................................... 100%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

**KEEP OUT OF REACH OF CHILDREN**

**WARNING**

**PRECAUTIONARY STATEMENTS**

**WARNING:** Causes eye and skin irritation. Harmful if swallowed. harmful if inhaled. Wear protective gloves, protective clothing, and eye protection. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke while using this product. Avoid breathing vapors or spray. If eye or skin irritation occurs, seek medical attention. Use only outdoors or in a well ventilated area.

**FIRST AID**

**IF SWALLOWED:** Call a poison control center or doctor immediately for treatment advice. Rinse mouth and have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eyes. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of soap and water for 15-20 minutes. If skin irritation occurs seek medical advice/attention. Call a poison control center or doctor for treatment advice.

**IF INHALED:** Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control center or doctor for treatment advice.

**GENERAL INFORMATION**

Chempro S-820 is a general purpose, low foam nonionic surfactant; spreader/penetant for use on plants to maximize the effectiveness of insecticides, herbicides, fungicides, and defoliants. It is designed for quick wetting, uniform droplet distribution, and increased spray retention on leaf and stem surfaces. Chempro S-820 incorporates superior wetting and penetrating characteristics that allow for more uniform spray coverage without excessive run-off of the spray. Care must be taken in treating crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. NOT FOR AQUATIC USE.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

**DIRECTIONS FOR USE**

REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. Refer to the dilution chart below for additional information on usage rates.

<table>
<thead>
<tr>
<th>Chemical Group</th>
<th>Chempro S-820 per 100 gallons of spray mixture</th>
</tr>
</thead>
<tbody>
<tr>
<td>Insecticides, Fungicides, and Acricides</td>
<td>3 – 8 ounces</td>
</tr>
<tr>
<td>Herbicides</td>
<td>1 – 3 pints</td>
</tr>
<tr>
<td>Defoliants, Desiccants, and Wettable Powders</td>
<td>1 – 2 pints</td>
</tr>
</tbody>
</table>

Necessary rates of Chempro S-820 may vary with conditions of application. Add sufficient Chempro S-820 to form a smooth, uniform spray deposit. For best mixing results, fill the spray tank half to three quarters full, add antifoam and begin agitation. Consult the pesticide or fertilizer labels for recommended sequence of addition. The pesticide manufacturer’s label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label.

**STORAGE AND DISPOSAL INFORMATION**

**STORAGE:** Store product locked up in original container away from pesticides, fertilizers, and food or feed, and keep container tightly closed when not in use. Do not use, spill, or store near heat or open flames. Take care to prevent water from being introduced to the contents of this container. Shake well before use and keep from freezing.

**DISPOSAL:** Do not contaminate water, food, or feed by storage or disposal. Empty container may contain explosive vapors or hazardous residues. Triple rinse empty container and offer for recycling or dispose of in an approved sanitary landfill. Disposal of contents and/or container must be in compliance with local, state, and federal laws and regulations. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

**NOTICE OF WARRANTY**

Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
