Chempro S-172
Modified (Methylated) Vegetable (Seed) Oil with Organosilicone Surfactant

Principle Functioning Agents:
Methylated Vegetable Oil, Polysiloxane Polyether Copolymer, Alkyl Phenol Ethoxylate 97%
Constituents Ineffective as a Spray Adjuvant ................................................................. 3%
Total .................................................................................................................................. 100%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS
Warning: Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through skin. Avoid contact with eyes, skin, and clothing. Avoid breathing vapors or spray. Wear protective gloves, protective clothing and eye and/or face protection. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke while using this product. If eye or skin irritation occurs, seek medical attention.

FIRST AID
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person rinse mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes then continue rinsing eyes. Call a poison control center or doctor for treatment advice.
IF ON SKIN OR CLOTHING: Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. If skin irritation occurs, seek medical advice/attention. Call a poison control center or doctor for treatment advice.
IF INHALED: Remove person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth, if possible. Call a poison control center or doctor for treatment advice.

GENERAL INFORMATION
Chempro S-172 is a uniquely multifunctional spray adjuvant consisting of highly refined and modified spray oil and non-ionic organosilicone. Chempro S-172 has been formulated to promote fast spreading, uniform distribution and absorption of spray on leaf and stem surfaces, thereby reducing the negative effects of adverse environmental conditions. Chempro S-172 is designed for use with those pesticides or products whose labels recommend the addition of a spray adjuvant to improve coverage. When used as directed, Chempro S-172 maximizes the activity and effectiveness of certain herbicides in post emergence applications. Therefore, care must be taken in treating crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. NOT FOR AQUATIC USE.

DIRECTIONS FOR USE
REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer’s label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label. Use 1–5 pints per 100 gallons of spray water for ground applications, 3–6 pints per 100 gallons of spray water for aerial applications, or as recommended by the pesticide label. For best mixing results, fill the spray tank half to three quarters full and add antifoam. Add pesticide components and Chempro S-172 then provide good agitation until tank is full.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

STORAGE AND DISPOSAL INFORMATION
STORAGE: Store product locked up in original container and keep container tightly closed when not in use. Take care to prevent water from being introduced to the contents of this container.
DISPOSAL: Do not contaminate water, food, or feed by storage or disposal. Empty container may contain explosive vapors or hazardous residues. Triple rinse empty container and offer for recycling or dispose of in an approved sanitary landfill. Disposal of contents and/or container must be in compliance with local, state, and federal laws and regulations. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

NOTICE OF WARRANTY:
Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
