60/40 MSO
Modified (Methylated) Vegetable (Seed) Oil

Principle Functioning Agents:
Methylated Vegetable Oil, Ethoxylated Nonylphenol, Ethoxylated Alcohol ........ 99%
Constituents Ineffective as a Spray Adjuvant .................................................. 1%
Total .................................................................................................................. 100%

All ingredients in this product are exempt from the requirements of a tolerance as specified under Title 40, Code of Federal Regulations 180.

KEEP OUT OF REACH OF CHILDREN

WARNING

PRECAUTIONARY STATEMENTS
Warning: Causes serious eye irritation. Causes mild skin irritation. Harmful if swallowed or inhaled. Wear protective gloves, protective clothing, and eye and/or face protection. Wash hands, face, and other affected areas thoroughly after handling. Do not eat, drink, or smoke when using this product. If eye or skin irritation occurs, seek medical attention.

FIRST AID
IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have the person rinse mouth and sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses if present and easy to do – continue rinsing. If irritation persists, seek medical attention.
IF ON SKIN OR CLOTHING: Immediately take off contaminated clothing and wash before reuse. Rinse skin immediately with plenty of water for 15-20 minutes. If skin irritation occurs, seek medical attention/advice. Call a poison control center or doctor for treatment advice.
IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison control center or doctor if you feel unwell. If person is not breathing, call 911 and give artificial respiration.

GENERAL INFORMATION
60/40 MSO is a highly concentrated, multifunctional methylated seed oil based spray adjuvant developed as a penetrating surfactant concentrate with superior wetting and penetrating characteristics. 60/40 MSO is designed as a replacement for non-ionic surfactants and crop oil concentrates in liquid spray mixtures. When used as directed, 60/40 MSO maximizes the activity and effectiveness of certain herbicides in post emergence applications. Therefore, care must be taken in treating sensitive crops during periods when plants are subjected to drought stress, high temperatures, and high humidity. NOT FOR AQUATIC USE.

ENVIRONMENTAL HAZARDS: Do not apply directly to water, or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water when cleaning equipment or disposing of equipment wash waters.

DIRECTIONS FOR USE
REFER TO PESTICIDE LABEL FOR SPECIFIC CROP USE AND APPLICATION RATES. Prior to use, read and follow all directions on this label and on the label of the pesticide being used. The pesticide manufacturer’s label for specific usages and restrictions have precedence over DIRECTIONS FOR USE referred to on this label. Use 4–8 ounces per acre as a replacement for non-ionic surfactants and crop oil concentrates. The high end of the recommended use rate may be necessary during periods when plants are subjected to extreme stress or weed populations. The addition of a liquid fertilizer (28–32% nitrogen solution) may also be required to improve control under extreme environmental conditions. Always add 60/40 MSO last to the spray mixture and provide good agitation.

STORAGE AND DISPOSAL INFORMATION
STORAGE: Store product locked up and in original container. Keep container tightly closed when not in use. Take care to prevent water from being introduced to the contents of this container. Keep away from sparks, flame, static electricity or other ignition sources. Shake well before use. If 60/40 MSO is stored below 32°F, it may become cloudy and thicken. Above 32°F 60/40 MSO returns to its normal clear, fluid state.
DISPOSAL: Disposal of contents and/or container must be in compliance with local, state, and federal laws and regulations. Do not contaminate water, food, or feed by storage or disposal. Triple rinse empty container and offer for recycling or dispose of in an approved sanitary landfill. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

NOTICE OF WARRANTY:
Seller warrants that this product conforms to the chemical description on the label thereof and is reasonably fit for purposes stated on such label only when used in accordance with the directions under normal use conditions. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of the Seller. IN NO CASE SHALL SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALL SUCH RISKS SHALL BE ASSUMED BY THE BUYER. SELLER MAKES NO WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE NOR ANY OTHER EXPRESS OR IMPLIED WARRANTY EXCEPT AS STATED ABOVE.
