FIRST AID

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Contact a poison control center or doctor for treatment advice.

If on skin or clothing: Remove contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes. Contact a poison control center or doctor for treatment advice.

If in eyes: Immediately hold eyes open and rinse slowly and gently with water for 15 - 20 minutes. If wearing contact lenses, remove lenses and continue rinsing. Contact a poison control center or doctor for treatment advice.

If swallowed: Contact a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

Hot Line Numbers: Have the product container or label with you when calling a poison control center or doctor. For emergency information on product, use, and treatment, call the National Pesticide Information Center at 1-800-929-9999. 6:30am-4:30pm Pacific Time (PT). 7 days a week. During other times, call the poison control center at 1-800-222-1222.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals

CAUTION: Harmful if swallowed, inhaled, or absorbed through skin. Causes moderate eye and skin irritation. Avoid contact with eyes, skin, or clothing. Avoid breathing vapor. Wash thoroughly with soap and water after handling and before eating or drinking. Remove contaminated clothing and wash before reuse.

ENVIRONMENTAL HAZARDS

For terrestrial use, do not apply directly to water to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water by dispersing of equipment or disposing of equipment waste vectors.

PHYSICAL AND CHEMICAL HAZARDS

Contents under pressure. Container may explode if heated. Do not expose to temperatures above 50°C (122°F). Do not spray near open flames or sparks. Do not puncture or incinerate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Do not apply more than 150g of active ingredient per acre per year.

ME/Max OF APPLICATION: For use on apple, pear, and peach orchards where essential fruit moth (Grapholita molesta) is a pest. For use only with Semios automated aerosol dispensers. Load several canisters in Semios dispenser, Hang dispenser in upper third of tree canopy with nozzle pointing away from foliage and fruit. Every tree has its own set of Semios dispensers at an average density of 1 dispenser per acre. Use higher density (up to double standard density) at orchard edge facing prevailing winds. Access Semios web-based user interface to commence operation of networked dispensers as moths begin mating flight activity and turn off dispensers at the end of the season. Standard application rate is 1 puff every 15 minutes over a maximum 12 hours per day (1.5cm puff). Default dispensing rate is 4.66 mg a.i. per 40 mg puff. Canister capacity is 36.6 g as for a maximum of 769 puffs.

STORAGE AND DISPOSAL

DO NOT contaminate water food or feed by storage or disposal of unused dispensers.

Pesticide Storage: Store container in a cool, dry place away from heat or open flame.

Pesticide Disposal: Waste resulting from this product may be disposed on-site or at an approved waste disposal facility.

Container Handling: Non-combustible container. Do not reuse or refill this container. Discard empty dispensers in trash or at an approved waste disposal facility.

WARRANTY AND LIMITATION OF DAMAGES

SemiosBIO Technologies Inc. warrants that this product conforms to the chemical description stated on the label. SemiosBIO Technologies Inc. neither authorizes any agent or representative to make any other warranty or fitness of merchantability, warranty or representation, expressed or implied, concerning this material. In the event the product is different from the product description it may be returned within 30 days of receipt accompanied by proof of purchase and a copy of this warranty for a full refund. No other warranties, whether expressed or implied, are given by SemiosBIO Technologies Inc. under this warranty. In no event will SemiosBIO Technologies Inc. be liable for incidental, consequential, or special damages, whether denominated in contract, tort or otherwise. The sole remedy is replacement of the product. This warranty is void if the product is returned in such a manner as to impair SemiosBIO Technologies Inc.'s ability to re-ship the product. The warranty is subject to the above limitations and conditions and is null if not stated on the label.
