PRECAUTIONARY STATEMENTS
HAZARD TO HUMANS AND DOMESTIC ANIMALS.
CAUTION: Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet.

PHYSICAL OR CHEMICAL HAZARDS: Do not apply this product around electrical devices or outlets. Combustible. Do not use or store near heat or open flame.

FIRST AID:
If on skin: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes. Call a poison control center or doctor for further treatment advice. If in eyes: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, and then continue rinsing. Call a poison control center or doctor for further treatment advice.

CONTACT NUMBER: Have the product container or label with you when calling a poison control center or doctor or going for treatment. For emergencies, contact Chemtrec at 800-348-1811.

STORAGE AND DISPOSAL: Store product in original container in a cool, dry place. Keep containers tightly closed. Do not flush. Nonrefillable container. Do not reuse or refill this container. Dispose of wipes and container in the trash. Offer for recycling, if available.

SUITABLE for use in KITCHENS on: sealed stone surfaces, counter tops, sinks, faucets, and exterior surfaces of refrigerators, stoves, and appliances
SUITABLE for use in BATHROOMS on: sealed stone surfaces, counter tops, sinks, faucets, toilet seats and rims, tubs, showers, glazed tiled walls. Other Uses: door knobs, glazed tiled floors, children’s toys, animal crates and cages. This product has been shown to be a broad spectrum disinfectant and virucide as demonstrated by required efficacy testing on Staphylococcus aureus, Methicillin Resistant Staphylococcus aureus (MRSA), Pseudomonas aeruginosa, Salmonella enterica, and Influenza A virus when applied for 5 minutes.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Read and follow all directions and precautions on this product label.

TO OPEN PACKAGE: Peel back seal and use wipes as directed. Reseal pouch after each use to retain moisture.

TO SANITIZE: Use to sanitize hard nonporous, non-food contact surfaces. Thoroughly wet the surface using as many wipes as necessary to keep the surface visibly wet for 15 seconds. Let surface dry. For highly soiled surfaces, clean excess dirt first and rinse with potable water.

TO DISINFECT: Use to disinfect hard, nonporous surfaces. Thoroughly wet the surface using as many wipes as necessary to keep the surface visibly wet for 5 minutes. Let surface dry. For highly soiled surfaces, clean excess dirt first. For surfaces such as children’s toys, rinse with potable water prior to reuse.

TO CLEAN: Wipe surface clean. Not for personal use. Do not use on untreated or painted wood. The cleaning performance of this product may not be optimal for some modern surfaces; streaking may occur. Always follow the manufacturer’s use & care instructions for any item.
