Superscript numbers are first two numbers in date code.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: PNW ULTRAMIN® 12-6 SE WITH ALTOSID® contains high levels of copper. Consumption of this product by sheep or goats may result in copper toxicity.

ENVIRONMENTAL HAZARDS

This product is toxic to aquatic invertebrates. Using it in a manner other than that described by the label could result in harm to aquatic invertebrates. Do not contaminate water when disposing of rinsate or equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.
FEEDING AND MANAGEMENT INSTRUCTIONS

When used as directed, PNW ULTRAMIN® 12-6 SE WITH ALTOSID® will provide sufficient S-methoprene insect growth regulator to prevent the emergence of adult horn flies from manure of treated cattle. Existing adult horn flies will not be affected. Start feeding before horn flies appear and continue use until cold weather marks the end of the horn fly season. Use the following management techniques to maintain continuous intake of PNW ULTRAMIN® 12-6 SE WITH ALTOSID® at a level of ¼ to ½ lb. per 100 lbs. animal body weight per month.

1. Assure cattle are not starved for nutrients in PNW ULTRAMIN® 12-6 SE WITH ALTOSID® by providing them prior to feeding PNW ULTRAMIN® 12-6 SE WITH ALTOSID®
2. Offer cattle 50 pounds of PNW ULTRAMIN® 12-6 SE WITH ALTOSID® for every 15 head of cattle.
3. Remove all other self-limiting nutritional supplements.
4. Locate PNW ULTRAMIN® 12-6 SE WITH ALTOSID® where cattle congregate (watering, loafing, shade areas).
5. Replenish PNW ULTRAMIN® 12-6 SE WITH ALTOSID® on a regular basis as needed.
6. If intake of PNW ULTRAMIN® 12-6 SE WITH ALTOSID® is below ¼ lb. per 100 lbs. animal body weight per month, increase the number of feeding locations and/or change location(s) to areas more frequented by cattle.
7. If intake of PNW ULTRAMIN® 12-6 SE WITH ALTOSID® is above ½ lb. per 100 lbs. animal body weight reduce the number of feeding locations and/or change location(s) to areas less frequented by cattle.
8. Introduction of this product after an adult horn fly infestation is established will require treatment of cattle with adulticides if immediate elimination of the adult fly population is desired.

STORAGE AND DISPOSAL: Do not contaminate water, food, or feed by storage or disposal.
Storage: Store in a cool place.
Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.
Container Handling: Nonrefillable container. Do not reuse or refill this container. Completely empty bag, then offer for recycling if available, or dispose of empty bag in a sanitary landfill or by incineration or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Notice of Supplemental Distribution of a Registered Pesticide Product

Instructions

After a registrant has obtained final registration for the basic product, the registrant may then supplementally distribute his/her product. One form must be submitted for each distributor product and must be signed by the distributor involved. The basic registration number and the distributor company number must be shown.

If a registrant has a potential distributor who does not have a company number assigned, she/he should have the distributor apply, on letterhead stationery, to the Registration Division to have a number assigned prior to submitting this form to the agency.

This Notice of Supplemental Distribution must be submitted by the basic registrant. The completed form must have the concurrence and signature of both the registrant and the distributor.

EPA Registration Number of Product
2724-572

Distributor Company Number
86606

Note: Do not submit distributor product labels

Name of Registered Product (basic product name accepted by EPA)
Zoecon® Granular IGR Cattle Supplement

Distributor Product Name
PNW Ultramin 12-5 SE with Altosid®

Name and Address of Distributor (Type; Include ZIP code)
CHS Inc.
5500 Cenex Drive
Inver Grove Heights, MN 55077

Read All Conditions Before Signing

1. The distributor product must have the same composition as the basic product.
2. The distributor product must be manufactured and packaged by the same person who manufactures and packages the registered basic product.
3. The labeling for the distributor product must bear the same claims as the basic product, provided, however, that specific claims may be deleted if by doing so, no other changes to the label are necessary.
4. The product must remain in the manufacturer's unbroken container.
5. The label must bear the EPA registration number of the basic product, followed by a hyphen and the distributor's company number.
6. Distributor product labels must bear the name and address of the distributor qualified by such terms as "packed for...", "distributed by..."; or "sold by..." to show that the name is not that of the manufacturer.
7. All conditions of the basic registration apply equally to distributor products. It is the responsibility of the basic registrant to see that all distributor labeling is kept in compliance with requirements placed on the basic product.

Distributor
We intend to market our product under the Distributor Product Name specified above, subject to the conditions specified on this Notice.

Signature and Title of Distributor
Richard Luecke, OCP/Regulatory

Date
2/20/2015

Registrant
I agree that the distributor named above may distribute and sell the Distributor Product specified above, subject to the conditions specified on this Notice.

Signature and Title of Registrant
Nancy Wehby, Reg. Registration Specialist

Date
February 25, 2015
