DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SHAKE WELL BEFORE EACH USE. Hold can upright. Remove protective cap. Aim spray opening away from people. Push button to spray. Apply in short bursts.

KILLS THESE COMMON HOUSEHOLD PESTS
Houseflies, Mosquitoes, Small Flying Moths, Gnats: Close all doors and windows and direct spray upward into center of room with a slow, sweeping motion. Spray 5-10 seconds for average room. Keep room closed for 15 minutes after spraying. Ventilate room thoroughly before re-entry. Sweep up and destroy fallen insects.

Use Restrictions
Do not allow adults, children or pets to enter the treated area until the sprays have dried.
Do not apply this product in a way that will contact adults, children or pets, either directly or through drift.
Do not allow people or pets to enter treated areas until vapors and mists have dispersed and the treated area has been thoroughly ventilated.
Wait two (2) hours after application, then open windows, vents and doors for two hours. If an odor is still detected, additional ventilation is required.
Remove pets, birds, and cover fish aquariums and ornamental fish ponds before spraying, and turn aquarium systems off.
Do not apply when food is present. Exposed food should be covered or removed. All food-preparation surfaces and utensils should be covered during treatment or thoroughly washed before use.
Application is prohibited directly into sewers or drains, or to any area like a gutter where drainage to sewers, storm drains, water bodies or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

STORAGE AND DISPOSAL

Storage: Store in a cool place away from heat, direct sunlight or open flame. Keep in original container and preferably in a locked storage area.

Disposal: Do Not Puncture or Incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals
CAUTION. Causes moderate eye irritation. Avoid contact with eyes. Do not get on skin or on clothing. Harmful if swallowed or inhaled. Do not breathe vapor or spray mist. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

First Aid - If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center or doctor for treatment advice. If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment.
