**SHAKE WELL BEFORE USING**

**Roach, Ant & Spider Killer**

Kills Cockroaches, Ants*, Carpenter Ants, Crickets, Spiders, Firebrats, Silverfish, Fleas and Scorpions.

**READ ENTIRE LABEL BEFORE USE.**

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

For indoor residential use only.

**Use Restrictions**

- This product must be used indoors in residential areas only.
- Do not use this product in crop fields, greenhouses, nurseries, building materials, or other electrical equipment because of possible shock hazard.
- During any indoor surface application, do not allow droplets or sprays to occur.
- Do not use this product on or near any other vegetation which may become a danger to children or pets.
- Do not use on or near any other vegetation which may become a danger to children or pets.
- Do not use in space sprays.
- Do not use in ventilation ducts.
- Do not use in greenhouses/hotels where plants are grown for food.

**HOW TO USE**

1. **Shake well before each use.**
2. **Spray insects to kill on contact.**
3. **For long-lasting control, treat areas where insects are commonly found. Spray surfaces unless wet, moving the sprayer rapidly to prevent excessive wetting and waste of product. Allow surfaces to remain wet for 5 hours.**
4. **When treating for ants, spray around door and window frames. Also treat other entry points and trails.**

**Note:** Paint spray away from people, pets, and plants. Do not allow pets or pets to contact treated surfaces until spray is dry. Remove pets and cover aquariums before spraying. Do not allow the spray to contact food or food-contacting surfaces. Thoroughly wash dishes, utensils, and mixing utensils with soap and water if they are sprayed with this product. Treat the exposed surface of fabric or rug for staining before use.

**Use Green Thumb® Roach, Ant & Spider Killer, as a spot treatment indoors only**

- Along and behind baseboards.
- Around and beneath appliances.
- Between and behind sinks.
- Other areas where insects are often found.
- In cracks and crevices.
- In corners of rooms, cabinets and closets.
- Around pipes and plumbing.
- Around waste containers.

**STORAGE AND DISPOSAL**

Store in cool, dry area away from heat or open flame. Do not puncture or incinerate if empty. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions.

**PRECAUTIONARY STATEMENTS**

Hazards to Humans and Domestic Animals

**CAUTION:** Users should wash hands with plenty of soap and water before eating, drinking, chewing gum, smoking, or using tobacco, or using the toilet. A skin cleanser to wash off residues from skin and clothing should be used. Do not contact eyes or mucous membranes. **FIRST AID:** If eye contact occurs, flush eyes with plenty of running water for 15 minutes. If irritation occurs, seek medical attention. **Inhalation:** Remove victim to fresh air. If symptoms persist, get medical attention. **Ingestion:** Do not induce vomiting, unless directed by physician. **Skin Contact:** Wash exposed area with plenty of soap and water. **Metallic Labeling:** Keep out of reach of children. **Physical or Chemical Hazards:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 120°F may cause bursting. **NOTICE:** To the extent consistent with applicable law, buyer assumes all responsibility for safety and use in accordance with directions.
