Stop READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

In a follow-up of federal law to use this product in a manner consistent with its labeling, never use without

USE RESTRICTIONS

This product is not intended for indoor residential use.

Do not apply directly to water or on streets, or to any area like a gutter where drainage to storm sewers, storm drains, water bodies, or aquatic habitat can occur. Do not allow the product to enter any drain during or after application.

Do not allow children, pets, or any other people to enter the treated areas or contact treated surfaces until sprays have dried. Do not apply this product on a day that will contact adults, children, or pets, other objects or through drift. Keep people and pets out of the area during application. Ask area immediately and close outside the treated area until sprays have dried.

Do not use the product in or on an electrical equipment due to possible shock hazard.

Do not apply directly to or near water, ponds, dry wells, drainage ditches, or waters used as a drinking source.

Do not apply when winds. Do not use the treated areas until the point of spray, or in the event of dry, or in an area that is inaccessible to children and pets. Container Disposal Do Not Reuse the container. It should be washed and cleaned and stored in a suitable container.
