ALLIGARE PATTERN™
Drift Control Agent

PRINCIPAL FUNCTIONING AGENTS
Polyvinyl Polymer (Polyacrylamide) .......................................................... 30%
Constituents ineffective as spray adjuvants ........................................... 70%
TOTAL ........................................................................................................ 100%

All ingredients are approved for use under 40 CFR 180
*Contains petroleum distillates
CA Reg. No. 81927-50008-AA

KEEP OUT OF REACH OF CHILDREN
WARNING

PRECAUTIONARY STATEMENTS
Causes skin irritation. If medical advice is needed, have product container or label at
hand. Read label before use. Wash protective equipment and work clothes thoroughly
after handling. Wear personal protective equipment. Specific treatment is given in the
First Aid section on this label or on the SDS.

PERSONAL PROTECTIVE EQUIPMENT (PPE)
Applicators or other handlers of this product must wear: protective eyewear,
long-sleeved shirt, long pants, socks, shoes and barrier laminate, neoprene rubber,
nitrile rubber or viton gloves. Consult the SDS for further information.

FIRST AID
If Swallowed: Call a POISON CENTER/doctor or Chemtrec if person feels unwell. Rinse
mouth. Have person sip a glass of water if able to swallow. Do NOT induce vomiting,
unless told to by a poison control center or doctor. Do not give anything to an
unconscious person.
If In Eyes: Rinse cautiously with water for several minutes. Remove contact lenses, if
present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice or
attention.
If On Skin: Wash affected area with plenty of soap and water. Use tepid water if
available. If skin irritation occurs: Get medical advice or attention. Treat symptomatically.
Take off contaminated clothing and wash it before reuse.
If Inhaled: Move person to fresh air. If person is having difficulty breathing, give
oxygen. If not breathing, give artificial respiration. Call a POISON CENTER/doctor or
Chemtrec if person feels unwell.

ENVIRONMENTAL HAZARDS
This product is not for aquatic use. Do not apply directly to water, or to areas where
surface water is present or to intertidal areas below the mean high water mark. Do not
contaminate water when cleaning equipment or disposing of equipment washwaters.

GENERAL INFORMATION
Alligare Pattern reduces drift risk and maximizes pesticide performance by binding
Ultra Small Spray Particles together into larger droplets which are more capable of
hitting their intended target. Alligare Pattern’s refined use rates and low “phase out”
formulation make it the easiest to use liquid drift retardant.

DIRECTIONS FOR USE
The addition of adjuvants to some pesticides and/or fertilizers and their tank mixes may
cause phytotoxicity to the foliage and/or fruit of desirable crops. Before using Alligare
Pattern, the applicator or crops advisor must have experience with the pesticide
combination, including Alligare Pattern, or must have conducted a phytotoxicity test.
SHAKE WELL BEFORE USING.

FOR USE WITH PESTICIDES REGISTERED FOR AGRICULTURAL, FORESTRY, INDUSTRIAL,
MUNICIPAL, NONCROPLAND, ORNAMENTAL, RIGHTS-OF-WAY, TURF AND OTHER
APPROPRIATE USES. NOT FOR AQUATIC USE.

USE RATES
As a general guideline, use 1-4 ounces per 100 gallons of spray solution. Always start
with the lower dosage and increase as needed to address specific spray conditions. If
spray fines are not eliminated, add additional quantities of Alligare Pattern in 1-ounce
increments until desired results are achieved.

MIXING
In the absence of specific mixing instructions found on the pesticide label, fill the spray
tank with at least 50% of the desired finished carrier volume. When premixing in a
mixing vessel or inductor, fill with at least 20% of the desired finished carrier volume.
While the carrier is agitating, add tank mix ingredients in the following order:
1. Compatibility agent and/or antifoam, if needed
2. AMS, dry formulations (WP, DF, WDG, SP), and dry drift retardants
3. Dry soluble and suspension fertilizers / micronutrients
4. Liquid drift retardants and flowable formulations (F & FL)
5. Liquid concentrates, suspension and microencapsulated (LC, SC, ME)
6. Emulsifiable concentrates (E, EL or EC)
7. Solutions and soluble liquids (S or SL)
8. Liquid micronutrients and fertilizers
9. Water conditioners and other adjuvants (COC, HSOC, MSO, NIS)
10. Finish filling to desired spray volume level and continue agitation

STORAGE AND DISPOSAL
If product freezes, warm to room temperature before use. Keep containers sealed when
not in use. Prevent water from being introduced into the contents of this package. Store
in original container only. Do not reuse empty container. Triple rinse (or equivalent)
during mixing and loading. Recycling decontaminated containers is the best option of
container disposal. The Agricultural Container Recycling Council (ACRC) operates the
national recycling program. To contact your state and local ACRC recycler visit the ACRC
web page at www.acrcycle.org. Decontaminated containers and materials must be
disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY DISCLAIMER: Alligare, LLC warrants that this product conforms to the chemical
description on the label and is reasonably fit for the purposes stated on the label when used in
strict accordance with the directions, subject to the inherent risks set forth below. Alligare, LLC
MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A
PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.

Inherent Risks of Use: It is impossible to eliminate all risks associated with use of this product.
Plant injury, lack of performance, or other unintended consequences may result because of such
factors as use of the product contrary to label instructions (including conditions noted on the label,
such as unfavorable temperature, soil conditions, etc.), abnormal conditions (such as excessive
rainfall, drought, tornadoes, hurricanes), presence of other materials, the manner of application, or
other factors, all of which are beyond the control of Alligare, LLC or the seller. All such risks shall
be assumed by buyer.

Limitation of Remedies: The exclusive remedy for losses or damages resulting from this product
(including claims based on contract, negligence, strict liability, or other legal theories), shall be
limited to, at Alligare, LLC’s election, one of the following: 1. Refund of purchase price paid by
buyer or user for product bought, or 2. Replacement of amount of product used Alligare, LLC shall
not be liable for losses or damages resulting from handling or use of this product unless Alligare,
LLC is promptly notified of such loss or damage in writing. In no case shall Alligare, LLC be liable
for consequential or incidental damages or losses. The terms of the “Warranty Disclaimer” above
and this “Limitation of Remedies” cannot be varied by any written or verbal statements or
agreements. No employee or sales agent of Alligare, LLC or the seller is authorized to vary or
exceed the terms of the “Warranty Disclaimer” or this “Limitation of Remedies” in any manner.
