DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Attracts and Kills All Common Household Ants: Including Argentine ants, ghost ants, confounding ants, pavement ants, brown ant, oceana ants, white hoofed ants, little black ants, odoriferous house ants, rover ants, crazy ants, big headed ants, and other sweet feeding ants except carpenter ants and subterranean ants.

For Use in and AROUND Homes, apartments, storage areas, and mobile homes.

Controlling and Eliminating Ants: First, clean and clear. Second, use Gap's Farm Ant Killer at each placement.

Indoor Use

Apply Gap's Farm Ant Killer to small pieces of cardboard, paper, or cloth in purpose-built bait stations and place product in areas inaccessible to children and pets. Where ants are seen, such as along the edges of sinks, tubs, window sills, under food cabinets, along floors and base boards, and in corners. Use plenty of bait placements - more bait placements, the better. Since invading ants usually have outdoor nesting sites, it often helps to put the product outside, close to where ants are found entering the structure. Ants typically follow defined trails from the nest to food or water. Placing Gap's Farm Ant Killer close to these trails will improve control.

Outdoor Use

Environmental Hazards: Do not apply directly to water, or to areas where surface water is present or to intermittent areas below the mean high-water mark. Do not contaminate water when disposing of equipment washwaters or covers.

Locate areas around the building where ants are seen trailing. Apply Gap's Farm Ant Killer in areas inaccessible to children and pets.

For a perimeter defense system, place bait stations against the foundation where the ants are found. Storing the bait stations every 5 to 10 feet will provide the best results. Check the bait stations regularly for activity. Remember ants will feed on Gap's Farm Ant Killer and carry the bait back to the rest of the colony. Heavy infestations may require several bait placement refill.

Storage and Disposal

Store only in a cool, dry place. Do not store where children or animals may gain access.

Disposal: If Empty: Non-refillable container. Do not reuse this container. Place in trash or offer for recycling if available.

If Partially Filled: Call your local disposal agency or 1-800-CLEANUP, which is managed as a public-private partnership.

Warranty Limitations and Disclaimer

Seller makes no warranty expressed or implied, concerning the use of this product other than as indicated on the label. Buyer accepts the product subject to these terms and assumes all risk of usage and handling. User, when used or handled in accordance with this label.
